

T-COMP COMPENSATOR FOR HANDGUNS UNIVERSAL W/ 1/2"X28 THREAD - TYRANT CNC UNI-COMP COMPENSATOR FOR 9MM UNIVERSAL BLACK W/BLACK SCREW

[Handgun Parts](#) > [Barrel Parts](#) > [Muzzle Devices](#) > [Compensators](#)

The Tyrant Designs CNC Universal fit 9mm Compensator, known as the Uni-Comp, has been designed to fit any 1/2-28 threaded 9mm barrel! Whether you own a Smith and Wesson, Glock, Sig Sauer, CZ, Walther, or ANY other 9mm firearm! The Uni-Comp dramatically reduces muzzle rise and sensed recoil, allowing much quicker target re-acquisition. Compatible with 1/2-28 threaded barrels their compensator requires no modification to your 9mm firearm. The Uni-Comp works on almost any grain ammunition and maintains a very small profile to help aid against printing for concealed carriers. The real ingenuity is in how the Uni-Comp is installed. Utilizing a two-piece design their universal fit comp installs securely in seconds WITHOUT the need for set screws or any other faulty attachment methods. Working on a concept focused on uncompromised innovation allowed considerable engineering freedom in developing significant solutions. Once attached, the Tyrant Universal Compensator will not come loose while operating your firearm, or while holstering/unholstering it. Whether you are a range day goer or competitive shooter their are confident their Glock compensator not only outperforms the competition but sets a new standard for compensator innovation. Platform: Universal Features: Works on standard 1/2-28 threaded barrels Works with brands such as Glock, S&W, Sig Sauer, CZ< Walther, Heckler & Koch, FN Herstal, Kimber, and so many more! Component: Compensator

Attributes

TCOMP Compensator Safety Instruction Guide

Introduction

Thank you for choosing the TCOMP Compensator for Handguns. This product is designed to enhance your shooting experience by reducing muzzle rise and recoil. This safety instruction guide provides essential information to ensure safe and effective use of the compensator, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the compensator is securely attached before use.
- Do not use the compensator with any ammunition that exceeds the manufacturer's specifications.
- Regularly inspect the compensator for wear and tear.
- Store the compensator and firearm in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to the compensator coming loose during use.
- Using incompatible ammunition can lead to malfunctions or damage.
- Failure to follow installation instructions may result in injury.

• Instructions for Avoiding Hazards:

- Always follow the installation instructions carefully.
- Use only 9mm ammunition with a $\frac{1}{2}28$ threaded barrel.
- Ensure that the compensator is securely fastened before firing.
- Do not attempt to modify the compensator or firearm.

• Age and Audience Specific Warnings:

- This product is intended for adult users only. Keep out of reach of children.
- Ensure that all users are trained in safe firearm handling practices.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing muzzle device from the 9mm barrel.
- Clean the barrel threads to ensure a proper fit.
- Align the compensator with the $\frac{1}{2}28$ threaded barrel.
- Handtighten the compensator onto the barrel until secure. No set screws are needed.
- Check the alignment and ensure the compensator is securely attached.

2. Usage:

- Once installed, the compensator is ready for use.
- Load your firearm with compatible 9mm ammunition.

- Fire your firearm as normal, observing all safety practices.
- After use, inspect the compensator for any signs of loosening or damage.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations.
- If the compensator is damaged or no longer usable, do not attempt to repair it.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

- For any safety inquiries or support, please refer to the manufacturer's website or customer service resources.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible firearm handling and maintenance practices. Enjoy your shooting experience with the TCOMP Compensator!
