# BRN22 Firing Pin Spring Safety Instructions

## Introduction

Thank you for choosing the BRN22 Firing Pin Spring by Brownells. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of this product. Please read all sections carefully before proceeding with installation and use.

## General Safety Guidelines

- Ensure that the BRN22 Firing Pin Spring is used only in compatible firearms, specifically the Ruger® 10/22® bolts.
- Always handle firearms and ammunition responsibly and in accordance with local laws and regulations.
- Store the BRN22 Firing Pin Spring in a secure location, away from children and unauthorized users.
- Regularly inspect the spring for wear or damage before each use. Do not use if damaged.
- Report any unsafe products or incidents to the relevant authorities as soon as possible.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only qualified individuals should install or replace the firing pin spring.
- Wear appropriate safety gear, including safety glasses, when handling firearms.
- Follow all manufacturer instructions for the firearm in which the spring will be installed.
- Avoid using excessive force when installing the spring to prevent damage to the firearm or spring.
- Ensure that the firearm is unloaded before attempting to install or replace the firing pin spring.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary tools, such as a punch tool or screwdriver, as needed for installation.

### 2. Installation:

- Remove the bolt from the Ruger® 10/22® firearm according to the manufacturer's instructions.
- Carefully remove the old firing pin spring from the bolt.
- Inspect the bolt for any debris or damage before proceeding.
- Install the new BRN22 Firing Pin Spring by aligning it correctly in the bolt assembly.
- Ensure that the spring is seated properly and that the bolt operates smoothly.

### 3. PostInstallation Check:

- Reassemble the firearm according to the manufacturer's instructions.
- Conduct a function check to ensure that the firearm operates correctly with the new spring.
- Store the firearm in a safe and secure location when not in use.

## Disposal Instructions

- Dispose of the old firing pin spring and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the spring in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any inquiries regarding the BRN22 Firing Pin Spring, please refer to the contact information provided by the retailer or manufacturer. Ensure that you have the product details at hand for efficient assistance.

Thank you for prioritizing safety while using the BRN22 Firing Pin Spring. Your cooperation helps maintain a safe environment for all users.
