

DAKA BINS 2-PACK 2x2 - MAGPUL DAKA 2X2 BINS 3.6" X 3.6" X 1.8" RED 2/PACK

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Storage Accessories](#)

DAKA Bins are designed to nest within DAKA GRID Organizer Panels to keep loose parts, gear, ammo, and other items secure inside Magpul DAKA Hard Cases or any case outfitted with the DAKA GRID Organizer. The DAKA Bins come in two sizes to provide flexibility in storage, with a pair of 2x2 DAKA Bins, with each peg on the underside of the Bin locking securely into the GRID Panels. DAKA Bins are made with transparent lids for easy contents identification, and the reinforced lid snap tabs lock securely with the Bin side tabs to keep the Bins closed. For further organization, paint-pen dot matrix panels on the lids give users additional identification capability for GRID organization. Aside from the durable lids, the DAKA Bins themselves are made from sturdy polypropylene and designed for rugged use with 0.1" thick walls to protect whatever is placed inside. The DAKA Bins come in Black, FDE, and Red, so the DAKA Bins' colors can also be used as coding for those who may need quick visual confirmation of the contents. We also made our DAKA Bins so they're equally at home outside of the DAKA GRID Organizer on your workbench or wherever you use them. Each pack comes with two (2) 2X2 Bins. Reinforced lid snap tabs lock on Bin body to secure parts, tools, and other small items Nests into DAKA GRID Base Panels Transparent lid for easy content identification and organization Stackable and functional outside of the DAKA GRID Organizer Made from durable, chemical-resistant polypropylene material COMPATIBILITY DAKA GRID Organizer Base. Two (2) DAKA Bins/qty.

DAKA BINS 2PACK Safety Instruction Guide

Introduction

Thank you for choosing the DAKA BINS 2PACK. These bins are designed to provide effective organization and secure storage for your gear, parts, and other items. This safety instruction guide is designed to help you use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the DAKA BINS are used as intended.
- Keep the bins out of reach of children to prevent accidental ingestion of small parts.
- Regularly inspect the bins for any signs of damage or wear. If damaged, discontinue use immediately.
- Do not overload the bins beyond their intended capacity.
- Ensure that the bins are placed on a stable surface to prevent tipping or falling.
- Be cautious when stacking bins to avoid instability.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The DAKA BINS are designed for storage and organization; however, improper use may lead to accidents.
 - Avoid using the bins for food storage or any applications not specified in this guide.
- **Avoiding Hazards:**
 - Do not expose the bins to extreme temperatures or direct sunlight for prolonged periods, as this may affect their integrity.
 - Keep the bins away from sharp objects that could puncture or damage them.
 - Ensure that the lids are securely closed when in use to prevent contents from spilling.
- **AgeSpecific Warnings:**
 - These bins are not toys. Keep them out of reach of children.
 - Ensure that individuals using the bins are aware of the proper handling and usage instructions.

Instructions for Installation and Usage

- **Installation:**
 - Place the DAKA BINS within the DAKA GRID Organizer Panels for optimal use.
 - Ensure that each peg on the underside of the bin locks securely into the GRID Panels to prevent movement.
- **Usage:**
 - Use the transparent lids for easy identification of contents.
 - Utilize the paintpen dot matrix panels on the lids for additional labeling.
 - Stack bins carefully if needed, ensuring stability and balance.
 - When removing or replacing items, do so gently to avoid damaging the bins or their contents.

Disposal Instructions

- Dispose of the DAKA BINS responsibly.
- Check local regulations for proper disposal methods for plastic materials.
- If the bins are damaged beyond use, recycle them if possible, or dispose of them in accordance with local waste management guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the DAKA BINS, please refer to the manufacturer's contact information provided with the product packaging.
