

# DAKA GEAR STRAPS 4-PACK - MAGPUL DAKA GEAR STRAPS BLACK 4/PACK

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Storage Accessories](#)

With the addition of the new DAKA Gear Straps to the DAKA GRID Organizer system (DAKA GRID), Magpul continues enhancing and expanding the utility of the DAKA GRID; your fully customizable, drop-in organizational solution for securing and protecting your important equipment in your existing hard case. DAKA Gear straps are a foot long, and after feeding a DAKA Gear Strap through a DAKA GRID Base Panel, the DAKA Gear Strap's hook-and-loop ends can immobilize a variety of firearms or gear through the roughest handling. The DAKA Gear Straps' .75-inch width maximizes the Straps' surface area for a strong connection and snug fit that won't loosen over time, while still fitting through a DAKA GRID Base Panel. And because of the DAKA Gear Straps' fastening method, each DAKA Gear Strap is quickly connected, released, and adjusted to secure your equipment as fast as you can adjust any DAKA GRID Blocks. Four DAKA Gear Straps are included in a set, and each strap is reusable and holds up to heavy-duty use. Immobilizes firearms, ammo, optics, parts, tools, bins, bags, or other gear or equipment to minimize movement and further lock in equipment, ensuring secure transport of even the most fragile items. Integrates with DAKA GRID Base Panels. Overlapping design allows for quick, easy adjustments as needed. Hook-and-loop design provides flexible - and secure - strap connection. DAKA Gear Straps measure 12" L x .75" W. COMPATIBILITY: Compatible with all DAKA GRID cases and organizer systems.

# DAKA Gear Straps Safety Instruction Guide

## Introduction

Thank you for purchasing the DAKA Gear Straps 4Pack by Magpul. These straps are designed to enhance the functionality of the DAKA GRID Organizer system, allowing you to securely store and transport your firearms and gear. This guide provides important safety instructions, usage guidelines, and disposal information to ensure your safety and the longevity of the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the DAKA Gear Straps by following all instructions carefully. These straps are intended for securing nonfood items only.
- **Enhanced Recalls:** Stay informed about any potential recalls. If you receive a recall notice, follow the instructions provided for remedy.
- **Online Shopping Safety:** When purchasing online, ensure that the retailer complies with safety regulations.
- **Consumer Focus:** Extra caution should be taken when using these straps around children. Ensure that they are not left unattended with the straps.
- **EU Contact Point:** For safety inquiries, it is important to reach out to the designated EU contact point provided by the retailer.
- **Rapid Alerts:** Keep updated on product safety through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Ensure that the DAKA Gear Straps are used only for their intended purpose.
  - Do not use the straps to secure items that exceed their weight limit.
- **Avoiding Hazards:**
  - Always check the integrity of the straps before use. Do not use if damaged.
  - Keep the straps away from sharp objects that could cause cuts or punctures.
  - Ensure that the straps are not used in a manner that could cause entanglement or strangulation.
- **Age Specific Warnings:**
  - These straps are not toys. Keep out of reach of children to prevent accidental use or injury.

## Instructions for Installation and Usage

- **Installation:**
  1. Feed the DAKA Gear Strap through a DAKA GRID Base Panel.
  2. Ensure that the strap is securely in place before proceeding.
- **Usage:**
  - To secure items:
    1. Place the item to be secured on the DAKA GRID.
    2. Use the hook and loop ends of the strap to immobilize the item.
    3. Adjust the strap to ensure a snug fit without excessive force.
  - To release the strap:

1. Gently pull apart the hook and loop ends.
2. Remove the strap from the DAKA GRID Base Panel.

- **Adjustments:**

- The overlapping design allows for quick adjustments. Make sure to adjust the strap as needed to maintain a secure hold on your equipment.

## **Disposal Instructions**

- Dispose of the DAKA Gear Straps responsibly:
  - If the straps are no longer usable, check local regulations for proper disposal methods.
  - Do not dispose of the straps in general waste if they can be recycled.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product information, please refer to the retailer or manufacturer's customer service resources. Always ensure that you are using the product in accordance with the guidelines provided in this manual.

Thank you for choosing DAKA Gear Straps, and please use them safely!
