

SAC MODULAR FUNNEL - SHORT ACTION CUSTOMS, LLC. SAC MODULAR FUNNEL

[Reloading](#) > [Powder Handling](#) > [Powder Funnels](#)

The Short Action Customs Modular Funnel is the natural progression for shooters who demand consistent and seamless performance. Utilizing the Short Action Customs high quality 17-4 Stainless Modular Headspace Comparator inserts, the Modular Funnel quickly settles on your cartridge shoulder, offering a lower center of gravity with increased stability and zero wobble. This design eliminates brass pulling out of the loading block and spilling powder when moving the funnel. The funnel's compound body angle prevents kernels from building up around the outer diameter, while spreading out and thinning the central pile of kernels. The helical fluting gently spins the pile of kernels as they slowly descend through the funnel. The small diameter exit hole slows down the powder velocity, increasing consistency. Lastly, the asymmetrical geometry inside the exit hole prevents clogging and ensures reliable powder flow. Made from Billet 6061 Aluminum, the Modular Funnel is anodized with Type 3 Hard Coat infused with Teflon to eliminate static buildup and increased lubricity. ** headspace comparators do not come with the funnel they are sold separately** Precision machined from 6061 high strength Aluminum. Type 3 Teflon infused Anodized

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC MODULAR FUNNEL](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109975

Safety Instructions for SAC Modular Funnel

Introduction

Thank you for choosing the SAC Modular Funnel from Short Action Customs, LLC. This product is designed to enhance your shooting experience by providing consistent and seamless performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the Modular Funnel is used only for its intended purpose.
- Always inspect the funnel before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Use the funnel in a wellventilated area to avoid inhaling any powder particles.
- Follow all local laws and regulations regarding the handling and use of firearms and related accessories.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the funnel.
- Do not use the funnel if you are under the influence of drugs or alcohol.
- Avoid using the funnel near open flames or sources of ignition.
- Ensure that the funnel is securely positioned on the loading block to prevent accidental spills.
- Do not overload the funnel beyond its designed capacity.
- If any powder is spilled, clean it up immediately to prevent slips and falls.

Instructions for Installation and Usage

1. Setup:

- Place the Modular Funnel on a stable, flat surface.
- Ensure that the funnel is aligned properly with the loading block.

2. Using the Funnel:

- Carefully pour the desired powder into the funnel.
- Allow the powder to flow through the funnel without forcing it.
- Monitor the descent of the powder to ensure it is flowing smoothly.

3. After Use:

- Remove the funnel from the loading block after use.
- Clean the funnel with a soft brush or cloth to remove any residual powder.
- Store the funnel in a dry place, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of the Modular Funnel in accordance with local regulations.
- If the funnel is damaged beyond repair, consider recycling the aluminum material where possible.
- Do not dispose of any powder residues in regular trash; follow local hazardous waste disposal guidelines.

Contact Information for Further Support

For further support or inquiries regarding the SAC Modular Funnel, please refer to the contact information provided with your product or visit the official website of Short Action Customs, LLC.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your SAC Modular Funnel. Always prioritize safety and adhere to the guidelines provided in this manual. Thank you for your attention and safe shooting!
