SAC Modular Funnel Stand Safety Instructions

Introduction

Thank you for choosing the SAC Modular Funnel Stand from Short Action Customs, LLC. This product is designed to enhance your reloading experience with precision and efficiency. However, it is essential to follow safety guidelines to ensure safe and effective use. This guide provides important safety instructions, precautions, and disposal information in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the SAC Modular Funnel Stand.
- Ensure that all components are intact and free from damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose — reloading ammunition.
- Regularly inspect the product for wear and tear; replace any damaged components immediately.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Clutter:** Keep your workspace organized to prevent accidents.
- **Proper Handling:** Use the Modular Funnel Stand carefully to avoid spills and mishaps.
- **Correct Assembly:** Ensure that all parts are properly assembled before use to prevent malfunction.
- **Weight Management:** Do not overload the Modular Funnel Stand beyond its designed capacity.
- **Secure Setup:** If desired, use the mounting holes for a secure installation to prevent tipping.
- **Personal Safety Gear:** Consider wearing safety glasses and gloves while reloading to protect against accidental spills and debris.

Instructions for Installation and Usage

1. **Unpacking:** Carefully unpack the SAC Modular Funnel Stand and check for all included parts:

- Modular Funnel Stand
- Carbon Fiber Funnel Stand Rod
- Adjustment Arms
- Machined pockets for headspace comparator inserts (sold separately)
- Threaded holes for case neck brushes and prep tooling (sold separately)

2. **Assembly:**

- Attach the Carbon Fiber Stand Rod to the base of the Modular Funnel Stand.
- Adjust the Dual Pivoting and Clamping Adjustment Arms to your preferred height and angle.
- Ensure that all components are securely fastened before use.

3. **Usage:**

- Place your Modular Funnel into the stand.
- Use the machined pockets to store your headspace comparator inserts for easy access.
- Use the threaded holes for case neck brushes and prep tooling as needed.
- Reload ammunition following standard safety practices.

4. **PostUse:**

- Clean the Modular Funnel Stand after each use to maintain its condition.

- Store the product in a dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the SAC Modular Funnel Stand in accordance with local regulations.
- If the product is no longer usable, consider recycling the aluminum components where facilities exist.
- Do not dispose of the product in household waste if it contains any hazardous materials.

Contact Information for Further Support

For any safety inquiries or additional support regarding the SAC Modular Funnel Stand, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective reloading experience with the SAC Modular Funnel Stand.
