Safety Instruction Guide for INFINITY APS Die Inserts

Introduction

Thank you for choosing the INFINITY APS Die Inserts by Short Action Customs, LLC. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the die inserts. It is important to read and understand this manual before using the product.

General Safety Guidelines

- Ensure that all equipment used with the INFINITY APS Die Inserts is in good working condition.
- Always wear appropriate safety gear, including eye protection, when reloading ammunition.
- Keep the working area clean and organized to prevent accidents.
- Store the die inserts and related equipment out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding ammunition reloading and storage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the INFINITY APS Die Inserts with compatible cartridge families as specified in the product description.
- Ensure that the Arbor style press is properly set up and secured before use.
- Do not exceed the recommended load specifications for the cartridges being used.
- Always doublecheck the bullet seating depth and alignment before proceeding with reloading.
- Never attempt to modify the die inserts or use them for purposes other than intended.
- If you experience any unusual resistance or difficulty while reloading, stop immediately and inspect the equipment for issues.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the Arbor style press is clean and free of debris.
- Gather all necessary tools and components, including the INFINITY APS Die Inserts, bullet seating stems, and cartridge centering sleeves.

2. Installation:

- Select the appropriate Cartridge Base Insert based on the cartridge family being used.
- Attach the selected Cartridge Base Insert to the Arbor press according to the manufacturer's instructions.
- Install the desired bullet seating stem into the die insert.

3. Usage:

- Place the cartridge case into the Cartridge Base Insert.
- Align the bullet with the case mouth and ensure it is seated properly.
- Apply consistent pressure on the Arbor press to seat the bullet to the desired depth.
- Inspect each completed round for proper seating and alignment.

4. PostUsage:

- Clean the die inserts and press after use to maintain optimal performance.
- Store the die inserts and related equipment in a safe, dry place.

Disposal Instructions

- Dispose of any damaged or wornout die inserts in accordance with local regulations.
- Do not dispose of ammunition or reloading components in regular household waste.
- Contact local waste management authorities for proper disposal methods of hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the INFINITY APS Die Inserts, please refer to the manufacturer's website or contact their customer support team. It is essential to have the product information and any relevant details ready to assist with your inquiry.

By following these safety instructions and guidelines, you can ensure a safe and successful reloading experience with the INFINITY APS Die Inserts. Always prioritize safety and compliance with regulations during your reloading activities.
