# **INFINITY APS DIE INSERTS SHORT ACTION CUSTOMS, LLC. INFINITY AAPS DIE INSERT TYPE 5 Safety Instruction Guide**

## **Introduction**

Thank you for choosing the INFINITY APS Die Insert Type 5. This product is designed to provide a safe and efficient method for reloading cartridges. It is important to follow the safety guidelines and instructions provided in this manual to ensure safe use and optimal performance.

## **General Safety Guidelines**

- Always read and understand the instructions before using the product.
- Ensure that the die insert is compatible with your Arbor style press and the cartridges you intend to reload.
- Keep the product out of reach of children and unauthorized users.
- Use protective eyewear and appropriate safety gear when reloading ammunition.
- Regularly inspect the die insert for signs of wear or damage before use.
- Do not attempt to modify the die insert or use it for purposes other than intended.

## **Specific Safety Precautions for Use**

- Ensure that the work area is clean and free of obstructions that could cause accidents.
- Be aware of your surroundings and avoid distractions while reloading.
- Follow the manufacturer's recommendations for cartridge specifications and reloading procedures.
- Use only approved components and materials when reloading ammunition.
- If you experience any issues during use, stop immediately and consult the troubleshooting section or contact support.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the Arbor press is securely mounted and stable.
- Select the appropriate Cartridge Base Insert according to the cartridge family you are using.
- Insert the selected Base Insert into the die body until it is firmly seated.
- Attach the die body to your Arbor press according to the press's instructions.

### **2. Usage:**

- Select the correct bullet seating stem for the bullet you are using.
- Place the cartridge case into the press and ensure it is properly aligned.
- Lower the handle of the press to seat the bullet into the cartridge case.
- Inspect the completed cartridge for proper seating and overall quality.
- Repeat the process for additional cartridges as needed.

## **Disposal Instructions**

- Dispose of any unused materials and packaging in accordance with local regulations.
- Do not dispose of ammunition or reloading components in regular household waste.
- Check with local authorities for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the INFINITY APS Die Insert Type 5, please refer to the manufacturer's contact information provided with the product packaging. It is important to reach out for assistance if you encounter any issues or require further guidance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the INFINITY APS Die Insert Type 5. Always prioritize safety and stay informed about best practices in ammunition reloading. Thank you for your commitment to safety and quality in your reloading endeavors.
