Safety Instruction Guide for INFINITY APS Die Inserts

Introduction

Thank you for choosing the INFINITY APS Die Inserts from SHORT ACTION CUSTOMS, LLC. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the die inserts. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your Arbor style press before using the INFINITY APS Die Inserts.
- Always wear appropriate safety gear, including safety glasses and gloves, when reloading ammunition.
- Keep the work area clean and free from distractions to prevent accidents during the reloading process.
- Store the die inserts and all reloading components out of reach of children and unauthorized persons.
- Regularly inspect the die inserts for wear and damage. Do not use damaged components.
- Follow all local laws and regulations regarding ammunition reloading and storage.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The use of die inserts involves handling sharp objects and potential exposure to gunpowder, which can be hazardous.
- Improper use of the die inserts may lead to misfires or ammunition failure.

- **Avoiding Hazards:**

- Always ensure that the press is securely mounted and stable before use.
- Do not exceed the recommended load specifications for the cartridges you are reloading.
- Avoid using the die inserts with incompatible cartridge families as specified in the product description.
- Never point the press or any ammunition towards yourself or others during the reloading process.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals aged 18 and older. Ensure that all users are trained and knowledgeable about reloading practices.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the INFINITY APS Die Inserts, Arbor press, cartridges, and safety equipment.
- Ensure that your workspace is organized and free from clutter.

2. Installation:

- Select the appropriate Cartridge Base Insert based on the cartridge family you are working with.
- Follow the manufacturer's instructions to securely attach the die insert to your Arbor press.

3. **Usage:**

- Insert the bullet seating stem into the die insert.
- Adjust the seating depth as needed for your specific cartridge.
- Place the cartridge case into the die insert and operate the Arbor press to seat the bullet.
- Inspect the completed cartridge for proper seating and overall quality.

4. **PostUse:**

- Clean the die inserts after use to remove any residue and maintain functionality.
- Store the die inserts in a safe, dry location when not in use.

Disposal Instructions

- Dispose of any damaged or worn die inserts in accordance with local waste disposal regulations.
- Ensure that all spent cartridges and reloading materials are disposed of properly to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the INFINITY APS Die Inserts, please refer to the product documentation or contact the manufacturer directly. It is essential to follow all safety guidelines and instructions provided to ensure safe operation and compliance with relevant regulations.

By adhering to these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the INFINITY APS Die Inserts. Thank you for prioritizing safety in your reloading activities.
