

# K-SPEC AR-15 HEAVY BUFFER & SPRING KIT - KAK INDUSTRY LLC.

## K-SPEC AR-15 H2 BUFFER/SPRING KIT 4.7OZ OLIVE DRAB GREEN

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

Modern technology meets “tried and true”: K-SPEC buffers utilize an innovative captured compression system to absorb recoil and minimize muzzle rise - without any complex or expensive parts to wear down and fail. Paired with KAK Industry's flatwire spring, you have a simple drop-in replacement that eliminates bolt bounce, flattens muzzle rise, and smooths out recoil. KAK Industry developed our K-SPEC buffer system to offer the best value in recoil mitigation, 100% made in America for a lifetime of dependable use. This kit includes a 3.8oz H1 OR 4.7oz H2 OR 5.5oz H3 Carbine-length K-SPEC buffer, flatwire spring, and buffer install tool. Please note: This buffer is for use with a carbine-length buffer tube.

### Attributes

- Name: [KAK INDUSTRY LLC. K-SPEC AR-15 H2 BUFFER/SPRING KIT 4.7OZ OLIVE DRAB GREEN](#)
- Manufacturer: [KAK INDUSTRY LLC.](#)

## Safety Instructions

### Introduction

Thank you for choosing the KSPEC AR15 Heavy Buffer & Spring Kit by KAK Industry LLC. This product is designed to enhance the performance of your AR15 rifle by reducing recoil and muzzle rise. Please read this safety instruction guide carefully to ensure the safe and effective use of this product.

### General Safety Guidelines

- Always follow the manufacturer's instructions when using or installing the product.
- Ensure that the firearm is unloaded and safe before installing or working on any components.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage. Do not use if any parts are compromised.
- Be aware of your surroundings and ensure that you are in a safe environment when using firearms.

### Specific Safety Precautions for Use

- Only use the KSPEC buffer with a carbinelength buffer tube.
- Ensure that the buffer and spring are compatible with your specific AR15 model.
- Avoid using excessive force when installing the buffer and spring to prevent damage.
- Do not modify the buffer or spring in any way, as this may compromise safety and performance.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.

### Instructions for Installation and Usage

#### 1. Preparation

- Ensure your AR15 is unloaded and the chamber is clear.
- Gather necessary tools, including the buffer install tool included in this kit.

#### 2. Installation Steps

- Remove the existing buffer and spring from the buffer tube.
- Inspect the buffer tube for any debris or damage before installation.
- Insert the KSPEC buffer into the buffer tube with the correct orientation.
- Install the flatwire spring over the buffer and ensure it is seated correctly.
- Use the buffer install tool to compress the spring if necessary while securing the buffer in place.
- Doublecheck that everything is securely installed and functioning properly.

#### 3. Usage Guidelines

- When using your firearm, maintain proper shooting stance and grip.
- Regularly check the functionality of the buffer and spring during use.
- If you experience any unusual behavior from the firearm, cease use immediately and inspect the components.

### Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling programs or hazardous waste disposal options in your area.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the KSPEC AR15 Heavy Buffer & Spring Kit, please refer to the manufacturer's website or customer service contact information provided with your product.

## **Conclusion**

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and effective experience with the KSPEC AR15 Heavy Buffer & Spring Kit. Thank you for your attention to these important safety measures.
