

# **K-SPEC AR-15 HEAVY BUFFER & SPRING KIT - KAK INDUSTRY LLC. K-SPEC AR-15 H3 BUFFER/SPRING KIT 5.5OZ OLIVE DRAB GREEN**

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

Modern technology meets “tried and true”: K-SPEC buffers utilize an innovative captured compression system to absorb recoil and minimize muzzle rise - without any complex or expensive parts to wear down and fail. Paired with KAK Industry's flatwire spring, you have a simple drop-in replacement that eliminates bolt bounce, flattens muzzle rise, and smooths out recoil. KAK Industry developed our K-SPEC buffer system to offer the best value in recoil mitigation, 100% made in America for a lifetime of dependable use. This kit includes a 3.8oz H1 OR 4.7oz H2 OR 5.5oz H3 Carbine-length K-SPEC buffer, flatwire spring, and buffer install tool. Please note: This buffer is for use with a carbine-length buffer tube.

## **Attributes**

- Name: [KAK INDUSTRY LLC. K-SPEC AR-15 H3 BUFFER/SPRING KIT 5.5OZ OLIVE DRAB GREEN](#)
- Manufacturer: [KAK INDUSTRY LLC.](#)
- Product no.: 430110193

# KSPEC AR15 Heavy Buffer & Spring Kit Safety Instructions

## Introduction

Thank you for choosing the KSPEC AR15 Heavy Buffer & Spring Kit by KAK Industry LLC. This product is designed to enhance your shooting experience by reducing recoil and muzzle rise. To ensure safe and effective use of this product, please read and follow the safety guidelines outlined in this document.

## General Safety Guidelines

- Always handle firearms with care and follow the basic rules of firearm safety.
- Ensure that the KSPEC AR15 Heavy Buffer & Spring Kit is compatible with your firearm before installation.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the buffer and spring for wear and tear. Replace them if any damage is detected.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only with a carbine length buffer tube to ensure proper function and safety.
- Do not modify the buffer or spring in any way, as this may compromise safety and performance.
- Always wear appropriate eye and ear protection when using your firearm.
- Ensure that the firearm is unloaded before installing or removing the buffer and spring kit.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including the buffer install tool provided in the kit.
- Ensure your workspace is clean and free of obstructions.

### 2. Installation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing buffer and spring from the carbine length buffer tube.
- Take the KSPEC buffer (H1, H2, or H3) and the flatwire spring from the kit.
- Insert the flatwire spring into the buffer tube, followed by the KSPEC buffer.
- Use the buffer install tool to properly seat the buffer in the tube, ensuring it is secure.

### 3. Usage:

- After installation, conduct a function check of your firearm to ensure everything operates correctly.
- Use your firearm in a safe environment, adhering to all safety protocols.
- Monitor performance during use and be alert for any unusual behavior.

## Disposal Instructions

- Dispose of any worn or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If unsure about disposal methods, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the KSPEC AR15 Heavy Buffer & Spring Kit, please reach out to your local distributor or retailer. They will be able to provide assistance and further information regarding product safety and usage.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy your shooting experience with the KSPEC AR15 Heavy Buffer & Spring Kit!
