

# **K-SPEC AR-15 PISTOL CALIBER CARBINE BUFFER & SPRING KIT - KAK INDUSTRY LLC. K-SPEC AR-15 PCC BUFFER / SPRING KIT 6.9OZ BLACK**

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

Modern technology meets "tried and true": K-SPEC buffers utilize an innovative captured compression system to absorb recoil and minimize muzzle rise - without any complex or expensive parts to wear down and fail. Paired with KAK Industry's flatwire spring, you have a simple drop-in replacement that eliminates bolt bounce, flattens muzzle rise, and smoothes out recoil. KAK Industry developed our K-SPEC buffer system to offer the best value in recoil mitigation, 100% made in America for a lifetime of dependable use. This kit includes a K-SPEC buffer, flatwire spring, and buffer install tool. Please note: This is intended specifically for use with Pistol Caliber Carbine setups, 9mm / .40 S&W / .45 ACP with carbine-length buffer tube.

## **Attributes**

- Name: [KAK INDUSTRY LLC. K-SPEC AR-15 PCC BUFFER / SPRING KIT 6.9OZ BLACK](#)
- Manufacturer: [KAK INDUSTRY LLC.](#)
- Product no.: 430110198
- Mfr. No.: 522-1702-111
- Weapon type: AR-15
- Delivery weight: 0.267kg
- Shipping height: 30mm
- Shipping width: 30mm
- Shipping length: 229mm
- UPC: 811163035194

## **Item details**

Made in USA

US export classification: 0A501.x

# KSPEC AR15 PISTOL CALIBER CARBINE BUFFER & SPRING KIT Safety Instructions

## Introduction

Thank you for choosing the KSPEC AR15 Pistol Caliber Carbine Buffer & Spring Kit by KAK Industry LLC. This guide provides important safety instructions, installation guidelines, and usage tips to ensure a safe and effective experience with your product.

## General Safety Guidelines

- Ensure that you read and understand all instructions before using this product.
- Always use the product in accordance with the intended purpose as described in this manual.
- Keep this product out of reach of children and unauthorized users.
- Regularly check the product for wear and tear. Replace any damaged parts immediately.
- If you experience any issues with the product, discontinue use and consult a qualified technician.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Make sure the firearm is unloaded before installing or removing the buffer and spring kit.
- Do not attempt to modify the buffer or spring kit in any way.
- Ensure that the buffer tube is compatible with the KSPEC buffer system.
- Be aware of the recoil characteristics of your firearm and adjust your stance accordingly.
- Do not use the buffer and spring kit with any ammunition other than those specified (9mm / .40 S&W / .45 ACP).

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including the buffer install tool included in the kit.
- Ensure the firearm is completely unloaded and pointed in a safe direction.

### 2. Installation:

- Remove the existing buffer and spring from the buffer tube.
- Insert the KSPEC buffer into the buffer tube.
- Attach the flatwire spring to the buffer, ensuring it is seated properly.
- Use the buffer install tool to compress the spring and secure the buffer in place.
- Doublecheck that all components are properly installed and secured.

### 3. Usage:

- After installation, conduct a function check of the firearm to ensure proper operation.
- When firing, maintain a firm grip and proper stance to manage recoil effectively.
- Monitor the performance of the buffer and spring during use. If you notice any irregularities, stop using the firearm and inspect the components.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away the buffer and spring kit in regular household waste.
- Contact a local waste management facility for appropriate disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding your KSPEC AR15 Pistol Caliber Carbine Buffer & Spring Kit, please reach out to the designated EU contact point provided with your purchase. They can assist you with safety inquiries and product support.

Thank you for your attention to these safety instructions. Enjoy your experience with the KSPEC AR15 Pistol Caliber Carbine Buffer & Spring Kit, and always prioritize safety.
