

# **K-SPEC AR-15 PISTOL CALIBER CARBINE BUFFER & SPRING KIT - KAK INDUSTRY LLC. K-SPEC AR-15 PCC BUFFER / SPRING KIT 7.8OZ BLACK**

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

Modern technology meets "tried and true": K-SPEC buffers utilize an innovative captured compression system to absorb recoil and minimize muzzle rise - without any complex or expensive parts to wear down and fail. Paired with KAK Industry's flatwire spring, you have a simple drop-in replacement that eliminates bolt bounce, flattens muzzle rise, and smoothes out recoil. KAK Industry developed our K-SPEC buffer system to offer the best value in recoil mitigation, 100% made in America for a lifetime of dependable use. This kit includes a K-SPEC buffer, flatwire spring, and buffer install tool. Please note: This is intended specifically for use with Pistol Caliber Carbine setups, 9mm / .40 S&W / .45 ACP with carbine-length buffer tube.

## **Attributes**

# KSPEC AR15 PISTOL CALIBER CARBINE BUFFER & SPRING KIT Safety Instructions

## Introduction

Thank you for choosing the KSPEC AR15 Pistol Caliber Carbine Buffer & Spring Kit by KAK Industry LLC. This product is designed to enhance your shooting experience by providing effective recoil mitigation. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always handle firearms and related accessories with care and responsibility.
- Ensure that the product is suitable for your specific firearm setup (Pistol Caliber Carbine with 9mm / .40 S&W / .45 ACP).
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the buffer and spring for signs of wear or damage.
- Follow all local laws and regulations regarding firearms and accessories.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only with compatible buffer tubes designed for Pistol Caliber Carbines.
- Ensure the firearm is unloaded before installation or maintenance.
- Avoid using excessive force during installation to prevent damage.
- Do not modify the buffer or spring in any way that could compromise safety.
- Always wear appropriate safety gear, such as eye protection, when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including the buffer install tool provided in the kit.

### 2. Installation Steps

- Remove the existing buffer and spring from the buffer tube.
- Using the buffer install tool, insert the KSPEC buffer into the buffer tube.
- Follow with the flatwire spring, ensuring it is seated properly.
- Confirm that the buffer is securely in place and that the spring is functioning correctly.

### 3. Usage

- After installation, perform a function check to ensure everything operates smoothly.
- When using the firearm, maintain proper shooting stance and grip to manage recoil effectively.
- Regularly check the buffer and spring during maintenance to ensure continued performance.

## Disposal Instructions

- Dispose of the KSPEC buffer and spring in accordance with local regulations.
- Do not throw them in regular household waste.
- Check with local waste management authorities for proper disposal methods for firearm accessories.

## **Contact Information for Further Support**

For any questions or concerns regarding the KSPEC AR15 Pistol Caliber Carbine Buffer & Spring Kit, please refer to the product packaging for the EUbased contact information.

We appreciate your attention to these safety guidelines and wish you a safe and enjoyable experience with your new product.
