Safety Instruction Guide for MAGWELL AND BASEPLATE FOR S&W M&P 9 SHIELD PLUS

Introduction

Thank you for choosing the MAGWELL AND BASEPLATE FOR S&W M&P 9 SHIELD PLUS by Samson Manufacturing Corp. This product is designed to enhance your firearm's performance while ensuring safe and efficient usage. Please read this guide carefully to understand the safety precautions and proper usage instructions.

General Safety Guidelines

- Ensure the product is used only with compatible firearms as specified.
- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and accessories in a secure location, out of reach of children.
- Regularly inspect your firearm and accessories for wear or damage.
- If you notice any defects or irregularities, discontinue use immediately and seek professional assistance.
- Follow all local laws and regulations regarding firearm usage and modifications.

Specific Safety Precautions for Use

- **Compatibility:** This magwell is specifically designed for the S&W M&P 9 Shield Plus. Do not attempt to use it with other models.
- **Magazines:** This product is compatible with factory 13 round and 15 round magazines. It will not work with factory 10 round magazines or factory magazine spacers.
- **Installation:** Use the included Samson baseplate for installation. Do not attempt to modify the baseplate or magwell.
- **Gunsmithing:** This product is designed for easy installation without the need for gunsmithing. Do not attempt to make permanent modifications to your firearm.
- **Control:** Ensure a full grip on the firearm when using the magwell to maintain control and safety during operation.

Instructions for Installation and Usage

1. **Preparation:** Before installation, ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Baseplate:** Carefully remove the existing magazine baseplate from your magazine.
3. **Install Samson Baseplate:** Attach the included Samson baseplate to your magazine, ensuring it is securely fastened.
4. **Attach Magwell:** Align the magwell with the grip of your firearm and press it into place until it is fully seated.
5. **Check Fit:** Ensure that the magwell is properly installed and does not interfere with the operation of the firearm.
6. **Loading:** Load the magazine with ammunition as per the manufacturer's instructions.
7. **Usage:** To release the magazine, press the magazine release button. The magwell is designed to allow for a smooth and clean drop of the magazine.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Ensure that any nonmetal components are recycled or disposed of properly to minimize environmental

impact.

- If disposing of the product due to damage or wear, ensure it is rendered unusable to prevent accidental use.

Contact Information for Further Support

For any inquiries or further support regarding the MAGWELL AND BASEPLATE FOR S&W M&P 9 SHIELD PLUS, please refer to the manufacturer's website or contact your local authorized dealer.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of the MAGWELL AND BASEPLATE FOR S&W M&P 9 SHIELD PLUS. Always prioritize safety and compliance with local laws when handling firearms and accessories. Thank you for your attention to these important safety measures.
