

CHALLENGER 40TH ANNIVERSARY PRESS W/3-DIE BREECH LOCK RELOAD DIES - LEE PRECISION 40TH ANNIVERSARY PACK W/223 REM BREECH LOCK 3-DIE SET

[Reloading](#) > [Reloading Presses](#) > [Single Stage Presses](#)

CHALLENGER 40TH ANNIVERSARY PRESS W/ 3-DIE BREECH LOCK RELOAD DIES Challenger III celebrating forty years. This limited time promotional pack includes the Challenger III Press and a FREE 3-die set of Breech Lock Reloading Dies. Third generation Challenger features everything that made the Challenger the world's bestselling single station press. Plus, Lee Precision have added an ergonomically formed lever allowing even more comfortable operation with no more stooping at the bottom of stroke. Spent primers fall through the ram and collect in a convenient tube. Keeps dirt and grime off the frame and ram, and your workspace clean. Priming position is moved up front where the action is, and the LEE LEVER PRIME SYSTEM is still instant change with no tools. Say goodbye to time-consuming die adjustments, BREECH LOCK QUICK CHANGE DIE SYSTEM is built in. Change dies instantly with a twist of the wrist; you'll never have to re-adjust your die. Works with all brands of dies. Same unbreakable "O" frame design, all steel linkage, and adjustable length lever. This same press would cost you more than twice as much from other manufacturers, and that's without all of the Challenger's features. Breech Lock 3-Die Set includes colored Smart Lock bushings for easy die identification, Full Length Sizing Die for .223 Remington Set OR Carbide Sizing Die Set for all other sets, Bullet Seating Die, Powder Thru Expanding Die, Universal Shell Holder, Powder Dipper and Instructions with Load Data, everything you need to start reloading.

Safety Instruction Guide for CHALLENGER 40TH ANNIVERSARY PRESS W/3DIE BREECH LOCK RELOAD DIES

Introduction

Thank you for choosing the CHALLENGER 40TH ANNIVERSARY PRESS W/3DIE BREECH LOCK RELOAD DIES from Lee Precision. This product is designed to provide you with a safe and efficient reloading experience. Please read this safety instruction guide carefully to ensure the safe use of your press and its components.

General Safety Guidelines

- Always read and understand the user manual before operating the reloading press.
- Ensure that the reloading area is wellventilated and free from obstructions.
- Keep the workspace clean and organized to prevent accidents.
- Store all components, including dies and tools, in a secure location away from children and pets.
- Always wear appropriate safety gear, including safety glasses, when operating the press.
- Be aware of your surroundings and avoid distractions while reloading.
- Do not modify the press or its components in any way that could compromise safety.
- Regularly inspect the press and its parts for wear and damage. Replace any damaged components immediately.

Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of potential hazards such as sharp edges, moving parts, and hot surfaces.
- **Handling Components:** Handle all reloads, including primers and powders, with care. Follow the manufacturer's guidelines for safe handling and storage.
- **Children and Vulnerable Groups:** Keep the reloading press and all components out of reach of children. This product is not intended for use by individuals under the age of 18 without adult supervision.
- **Emergency Procedures:** In case of an accident or injury, seek medical assistance immediately. Have a first aid kit readily available in your reloading area.

Instructions for Installation and Usage

1. Installation:

- Choose a stable, flat surface for the installation of the press.
- Secure the press to the work surface using the appropriate mounting hardware.
- Ensure that the press is level and stable before use.

2. Usage:

- Familiarize yourself with all parts of the press and their functions before starting.
- Follow the instructions provided with the Breech Lock 3Die Set for proper die installation.
- Use the Full Length Sizing Die for .223 Remington or the Carbide Sizing Die for other calibers as specified.
- Always check that the press is clear of obstructions before operating.
- Insert the shell holder and ensure it is properly seated.
- Use the Powder Thru Expanding Die to dispense powder safely.
- When seating bullets, ensure proper alignment to avoid misfires.
- After each session, clean the press and surrounding area to maintain safety and functionality.

Disposal Instructions

- Dispose of all used components, including spent primers and powder, in accordance with local regulations.
- Do not throw away hazardous materials in regular trash. Check with your local waste management authority for proper disposal methods.
- Recycle packaging materials where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the CHALLENGER 40TH ANNIVERSARY PRESS W/3DIE BREECH LOCK RELOAD DIES, please consult the manufacturer's website or customer service for assistance. This guide does not provide specific contact information, but resources are available to address your safety inquiries.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your CHALLENGER 40TH ANNIVERSARY PRESS. Thank you for prioritizing safety in your reloading activities.
