

# CHALLENGER 40TH ANNIVERSARY PRESS W/3-DIE BREECH LOCK RELOAD DIES - LEE PRECISION 40TH ANNIVERSARY PACK W/9MM LUGER CARBIDE 3-DIE SET

[Reloading](#) > [Reloading Presses](#) > [Single Stage Presses](#)

CHALLENGER 40TH ANNIVERSARY PRESS W/ 3-DIE BREECH LOCK RELOAD DIES Challenger III celebrating forty years. This limited time promotional pack includes the Challenger III Press and a FREE 3-die set of Breech Lock Reloading Dies. Third generation Challenger features everything that made the Challenger the world's bestselling single station press. Plus, Lee Precision have added an ergonomically formed lever allowing even more comfortable operation with no more stooping at the bottom of stroke. Spent primers fall through the ram and collect in a convenient tube. Keeps dirt and grime off the frame and ram, and your workspace clean. Priming position is moved up front where the action is, and the LEE LEVER PRIME SYSTEM is still instant change with no tools. Say goodbye to time-consuming die adjustments, BREECH LOCK QUICK CHANGE DIE SYSTEM is built in. Change dies instantly with a twist of the wrist; you'll never have to re-adjust your die. Works with all brands of dies. Same unbreakable "O" frame design, all steel linkage, and adjustable length lever. This same press would cost you more than twice as much from other manufacturers, and that's without all of the Challenger's features. Breech Lock 3-Die Set includes colored Smart Lock bushings for easy die identification, Full Length Sizing Die for .223 Remington Set OR Carbide Sizing Die Set for all other sets, Bullet Seating Die, Powder Thru Expanding Die, Universal Shell Holder, Powder Dipper and Instructions with Load Data, everything you need to start reloading.

# Safety Instruction Guide for CHALLENGER 40TH ANNIVERSARY PRESS W/3DIE BREECH LOCK RELOAD DIES

## Introduction

Thank you for choosing the CHALLENGER 40TH ANNIVERSARY PRESS W/3DIE BREECH LOCK RELOAD DIES by Lee Precision. This product is designed for safe and effective reloading of ammunition. Please read this safety instruction guide carefully to ensure proper use and to minimize risks associated with this product.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding reloading ammunition.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the press.
- Keep the workspace clean and organized to prevent accidents.
- Store all reloading components, including powders and primers, in a safe and secure manner, away from children and pets.
- Regularly inspect the press and all components for wear and damage before use.
- Do not exceed the recommended load data provided with your reloading dies and components.

## Specific Safety Precautions for Use

- **Hazardous Materials:** Be aware that reloading involves the use of hazardous materials, including primers and powders. Handle these substances with care.
- **Ventilation:** Ensure that your workspace is wellventilated to avoid inhalation of fumes and dust from reloading materials.
- **Avoid Distractions:** Do not use the press when you are tired, under the influence of drugs or alcohol, or distracted.
- **Child Safety:** Keep the press and all reloading components out of reach of children. This product is not intended for use by individuals under the age of 18.
- **Emergency Procedures:** Familiarize yourself with emergency procedures in case of an accident, including the use of fire extinguishers for powder fires.

## Instructions for Installation and Usage

### Installation

1. **Choose a Suitable Location:** Select a stable and sturdy workbench that can support the weight of the press and materials.
2. **Secure the Press:** Use bolts to securely attach the press to the workbench to prevent movement during operation.
3. **Assemble Components:** Follow the manufacturer's instructions to assemble the press and attach the Breech Lock system.

### Usage

1. **Loading Dies:** Insert the appropriate die into the Breech Lock system and secure it in place.
2. **Adjusting Die Settings:** Use the builtin BREECH LOCK QUICK CHANGE DIE SYSTEM to adjust dies without tools. Ensure the dies are set according to the load data provided.
3. **Priming:** Utilize the LEE LEVER PRIME SYSTEM for quick and easy priming. Ensure spent primers are collected properly.
4. **Sizing and Seating:** Follow the instructions for using the Full Length Sizing Die and Bullet Seating Die to

ensure proper cartridge dimensions.

5. **CleanUp:** After use, clean the press and workspace to remove any residue or debris.

## Disposal Instructions

- Dispose of all reloading materials, including spent primers and unused powders, in accordance with local regulations.
- Do not dispose of hazardous materials in regular household waste. Contact local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For safety inquiries or support, please refer to the manufacturer's contact information included with your product packaging.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable reloading experience with your CHALLENGER 40TH ANNIVERSARY PRESS W/3DIE BREECH LOCK RELOAD DIES. Thank you for your attention to safety and responsible reloading practices.
