[Reloading](#) > [Reloading Presses](#) > [Single Stage Presses](#)

CHALLENGER 40TH ANNIVERSARY PRESS W/ 3-DIE BREECH LOCK RELOAD DIES Challenger III celebrating forty years. This limited time promotional pack includes the Challenger III Press and a FREE 3-die set of Breech Lock Reloading Dies. Third generation Challenger features everything that made the Challenger the world's bestselling single station press. Plus, Lee Precision have added an ergonomically formed lever allowing even more comfortable operation with no more stooping at the bottom of stroke. Spent primers fall through the ram and collect in a convenient tube. Keeps dirt and grime off the frame and ram, and your workspace clean. Priming position is moved up front where the action is, and the LEE LEVER PRIME SYSTEM is still instant change with no tools. Say goodbye to time-consuming die adjustments, BREECH LOCK QUICK CHANGE DIE SYSTEM is built in. Change dies instantly with a twist of the wrist; you'll never have to re-adjust your die. Works with all brands of dies. Same unbreakable "O" frame design, all steel linkage, and adjustable length lever. This same press would cost you more than twice as much from other manufacturers, and that's without all of the Challenger's features. Breech Lock 3-Die Set includes colored Smart Lock bushings for easy die identification, Full Length Sizing Die for .223 Remington Set OR Carbide Sizing Die Set for all other sets, Bullet Seating Die, Powder Thru Expanding Die, Universal Shell Holder, Powder Dipper and Instructions with Load Data, everything you need to start reloading.

# CHALLENGER 40TH ANNIVERSARY PRESS Safety Instruction Guide

## Introduction

Thank you for choosing the CHALLENGER 40TH ANNIVERSARY PRESS with 3DIE BREECH LOCK RELOAD DIES by Lee Precision. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your reloading press. Please read this manual carefully before using the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions and safety guidelines.
- Keep the reloading press out of reach of children and vulnerable individuals.
- Inspect the press and all accessories before each use to ensure they are in good working condition.
- Use the reloading press in a wellventilated area to avoid inhaling any harmful fumes or dust.
- Wear appropriate safety gear, including eye protection and gloves, when operating the press.
- Do not exceed the recommended load limits specified in the product instructions.
- Ensure that the work area is clean and free of obstructions to prevent accidents.
- Be aware of your surroundings and avoid distractions while reloading.
- Report any unsafe products or accidents to local authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Potential hazards include injury from moving parts, exposure to lead dust, and improper handling of reloading materials.

- **Avoiding Hazards:**

- Always keep hands and clothing away from moving parts during operation.
  - Ensure that all components are securely fastened before use.
  - Use only the recommended components and materials as specified by the manufacturer.
  - Store reloading materials in a safe and secure location, away from heat and moisture.
  - Do not attempt to modify or repair the press without consulting the manufacturer.

- **Age and AudienceSpecific Warnings:**

- This product is intended for use by individuals over the age of 18.
  - Ensure that anyone using the press has received proper training in reloading safety.

## Instructions for Installation and Usage

- **Installation:**

1. Choose a stable and sturdy work surface for the installation of the press.
2. Secure the press to the work surface using appropriate fasteners (not included).
3. Ensure that the press is level and stable before use.

- **Using the Press:**

1. Familiarize yourself with all components of the reloading press before operation.
2. Follow the instructions provided with the Breech Lock 3Die Set for proper die installation.

3. Adjust the press lever to ensure smooth operation and ease of use.
4. Load the appropriate reloading materials as specified in the product instructions.
5. Operate the press with a steady and controlled motion to avoid accidents.
6. Regularly check for any signs of wear or damage to the press and accessories.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- When disposing of spent primers and other reloading waste, follow local guidelines for hazardous waste disposal.
- Ensure that all materials are disposed of in a manner that is safe for the environment.

## **Contact Information for Further Support**

For any questions or concerns regarding the CHALLENGER 40TH ANNIVERSARY PRESS, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable reloading experience with your CHALLENGER 40TH ANNIVERSARY PRESS. Always prioritize safety and proper handling when engaging in reloading activities.
