

CHALLENGER 40TH ANNIVERSARY PRESS W/3-DIE BREECH LOCK RELOAD DIES - LEE PRECISION 40TH ANNIVERSARY PACK W/45 ACP BREECH LOCK CARBIDE 3-DIE SET

[Reloading](#) > [Reloading Presses](#) > [Single Stage Presses](#)

CHALLENGER 40TH ANNIVERSARY PRESS W/ 3-DIE BREECH LOCK RELOAD DIES Challenger III celebrating forty years. This limited time promotional pack includes the Challenger III Press and a FREE 3-die set of Breech Lock Reloading Dies. Third generation Challenger features everything that made the Challenger the world's bestselling single station press. Plus, Lee Precision have added an ergonomically formed lever allowing even more comfortable operation with no more stooping at the bottom of stroke. Spent primers fall through the ram and collect in a convenient tube. Keeps dirt and grime off the frame and ram, and your workspace clean. Priming position is moved up front where the action is, and the LEE LEVER PRIME SYSTEM is still instant change with no tools. Say goodbye to time-consuming die adjustments, BREECH LOCK QUICK CHANGE DIE SYSTEM is built in. Change dies instantly with a twist of the wrist; you'll never have to re-adjust your die. Works with all brands of dies. Same unbreakable "O" frame design, all steel linkage, and adjustable length lever. This same press would cost you more than twice as much from other manufacturers, and that's without all of the Challenger's features. Breech Lock 3-Die Set includes colored Smart Lock bushings for easy die identification, Full Length Sizing Die for .223 Remington Set OR Carbide Sizing Die Set for all other sets, Bullet Seating Die, Powder Thru Expanding Die, Universal Shell Holder, Powder Dipper and Instructions with Load Data, everything you need to start reloading.

Safety Instruction Guide for CHALLENGER 40TH ANNIVERSARY PRESS

Introduction

Thank you for choosing the CHALLENGER 40TH ANNIVERSARY PRESS with 3DIE BREECH LOCK RELOAD DIES. This guide provides essential safety instructions to ensure the safe and effective use of your reloading press. Please read this guide carefully before using the product to ensure your safety and the safety of others.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the reloading press by following all instructions and safety warnings.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken by vulnerable groups, including children, to avoid accidents.
- **EU Contact Point:** For any safety inquiries, refer to the appropriate EU contact as needed.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, while operating the reloading press.
- Ensure that the workspace is clean, dry, and welllit to avoid accidents.
- Keep the reloading press out of reach of children and pets.
- Do not use the press if it is damaged or malfunctioning. Inspect it regularly for wear and tear.
- Avoid wearing loose clothing or jewelry that may get caught in the press.
- Do not exceed the recommended load limits as specified in the instructions.
- Be cautious with the materials used for reloading, including primers and powders, as they can be hazardous.
- Always follow the manufacturer's instructions for die installation and adjustment.

Instructions for Installation and Usage

1. Unpacking the Product:

- Carefully remove the press and all components from the packaging.
- Check for any visible damage and ensure all parts are included.

2. Installation:

- Place the reloading press on a sturdy, stable workbench.
- Secure the press using bolts if necessary, following the manufacturer's recommendations.

3. Setting Up the Breech Lock System:

- Insert the Breech Lock bushings into the dies as per the instructions provided.
- Ensure that the dies are securely locked in place before use.

4. Using the Press:

- Follow the specific instructions provided for each die to ensure proper operation.
- Perform a trial run without any materials to familiarize yourself with the press's operation.

- Always doublecheck your setup before starting the reloading process.

5. PostUse Maintenance:

- Clean the press after each use to remove any debris or residue.
- Store the press in a safe, dry place when not in use.

Disposal Instructions

- Dispose of any damaged or nonfunctional parts according to local regulations.
- Do not dispose of hazardous materials, such as primers or powders, in regular trash. Follow local guidelines for hazardous waste disposal.
- Recycle packaging materials where possible.

Contact Information for Further Support

For any safety inquiries or assistance, please refer to the manufacturer's contact resources or your point of purchase. Always ensure that you have the product model and serial number available for reference.

By following these safety instructions, you can ensure a safe and effective reloading experience with your CHALLENGER 40TH ANNIVERSARY PRESS. Thank you for prioritizing safety while enjoying your reloading activities.
