Safety Instruction Guide for Lyman Essential Armorer's Mat

Introduction

Thank you for choosing the Lyman Essential Armorer's Mat. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the mat.

General Safety Guidelines

- Ensure the mat is placed on a stable and flat surface to prevent slipping during use.
- Keep the mat away from open flames or extreme heat sources to avoid damage.
- Regularly inspect the mat for signs of wear or damage. If any damage is found, discontinue use immediately.
- Do not use the mat for any purpose other than its intended use as a work surface for firearms and related maintenance.
- Keep the mat out of reach of children and pets when not in use to prevent accidents.

Specific Safety Precautions for Use

- Use the mat in a wellventilated area, especially when cleaning firearms with chemical solvents.
- Avoid using sharp objects that may puncture or tear the mat.
- When cleaning the mat, use mild soap and water. Avoid harsh chemicals that may degrade the surface.
- Store the mat in a dry place to prevent mold and mildew growth.
- Ensure that small parts are stored in the molded compartments to prevent loss and maintain organization.

Instructions for Installation and Usage

1. Unpacking the Mat

- Carefully remove the mat from its packaging.
- Inspect the mat for any visible damage before use.

2. Setting Up the Mat

- Place the mat on a clean, flat, and stable surface.
- Ensure that the mat is fully unrolled and lying flat to avoid any curling at the edges.

3. Using the Mat

- Utilize the molded compartments to organize small parts during firearm assembly or disassembly.
- Work on the mat to prevent damage to your workbench and to protect your firearm's finish.

4. Cleaning the Mat

- After use, clean the mat with mild soap and warm water.
- Rinse thoroughly and allow the mat to air dry completely before storing.

5. Storing the Mat

- Roll the mat up and store it in a dry, cool place when not in use.
- Avoid placing heavy objects on top of the rolled mat to maintain its shape.

Disposal Instructions

- When the mat reaches the end of its life cycle, dispose of it in accordance with local regulations for synthetic rubber products.
- Do not dispose of the mat in a manner that could harm the environment.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

Thank you for following these safety guidelines. Your safety and the proper functioning of the Lyman Essential Armorer's Mat are our top priorities. Enjoy your work and stay safe!
