

PRO AMMO CHECKER SINGLE CALIBER - LYMAN PRO AMMO CHECKER SINGLE CALIBER 300 AAC BLACKOUT STAINLESS

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Lyman Pro Ammo Checkers are precision machined from corrosion resistant stainless steel to minimum SAAMI chamber tolerances. All Pro Ammo Checkers are clearly marked for caliber. Simply drop your loaded cartridge into the gauge and if it fits, it will chamber in your gun. A “must” final check for competitive shooters or anyone that wants to ensure smooth, trouble free chambering of reloaded ammo.

PRO AMMO CHECKER SINGLE CALIBER Safety Instruction Guide

Introduction

Thank you for choosing the Lyman Pro Ammo Checker Single Caliber 300 AAC Blackout. This precision tool is designed to ensure safe and reliable chambering of your reloaded ammunition. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle ammunition and firearms safely and responsibly.
- Ensure that the Pro Ammo Checker is used only for its intended purpose.
- Store the Pro Ammo Checker in a safe and dry location, out of reach of children.
- Regularly inspect the Pro Ammo Checker for any signs of wear or damage before use.
- If you notice any defects, discontinue use immediately and dispose of the product safely.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper use of the Pro Ammo Checker can lead to misfires or malfunctioning of firearms.
- Ensure that the checker is used in a safe environment, free from distractions.

- **Avoiding Hazards:**

- Always ensure that the firearm is unloaded before testing cartridges with the Pro Ammo Checker.
- Do not attempt to chamber a cartridge that does not fit in the gauge.
- Keep fingers and hands clear of the chamber area during testing.
- Do not use the Pro Ammo Checker with any cartridges other than the specified caliber (300 AAC Blackout).

- **Age Specific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that all users are trained in safe firearm handling practices.

Instructions for Installation and Usage

1. Using the Pro Ammo Checker:

- Ensure the Pro Ammo Checker is clean and free from debris.
- Hold the Pro Ammo Checker firmly in one hand.
- Drop your loaded cartridge into the gauge.
- Observe if the cartridge fits smoothly into the gauge.
- If the cartridge fits, it is likely to chamber in your firearm. If it does not fit, do not attempt to chamber it in your firearm.

2. Storage:

- After use, store the Pro Ammo Checker in a safe location.
- Ensure it is kept away from moisture and extreme temperatures to maintain its integrity.

3. Regular Maintenance:

- Periodically clean the Pro Ammo Checker with a soft cloth to remove any dirt or residue.
- Check for any signs of corrosion or damage. If any issues are found, cease usage.

Disposal Instructions

- Dispose of the Pro Ammo Checker in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling if possible.
- Do not dispose of the Pro Ammo Checker in regular household waste.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the Lyman Pro Ammo Checker, please reach out to your local EU-based contact point for product safety inquiries.

Thank you for prioritizing safety while using the Lyman Pro Ammo Checker. By following these guidelines, you can ensure a safer experience while handling your reloaded ammunition.
