

PRO AMMO CHECKER SINGLE CALIBER - LYMAN PRO AMMO CHECKER SINGLE CALIBER 6.5 CREEDMOOR STAINLESS

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Lyman Pro Ammo Checkers are precision machined from corrosion resistant stainless steel to minimum SAAMI chamber tolerances. All Pro Ammo Checkers are clearly marked for caliber. Simply drop your loaded cartridge into the gauge and if it fits, it will chamber in your gun. A “must” final check for competitive shooters or anyone that wants to ensure smooth, trouble free chambering of reloaded ammo.

Lyman Pro Ammo Checker Single Caliber 6.5 Creedmoor Safety Instruction Guide

Introduction

Thank you for choosing the Lyman Pro Ammo Checker Single Caliber 6.5 Creedmoor. This precision tool is designed to ensure the safe and reliable chambering of your reloaded ammunition. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always handle ammunition with care and respect.
- Ensure that the Pro Ammo Checker is used in a safe environment, free from distractions.
- Keep the Pro Ammo Checker out of reach of children and unauthorized users.
- Regularly inspect the Pro Ammo Checker for signs of wear or damage.
- If the Pro Ammo Checker shows any signs of damage, discontinue use immediately.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the Pro Ammo Checker with the appropriate caliber, which is 6.5 Creedmoor in this case.
- Ensure that the loaded cartridge is clean and free from obstructions before inserting it into the gauge.
- Do not force a cartridge into the Pro Ammo Checker; if it does not fit, do not attempt to chamber it in your firearm.
- Use the Pro Ammo Checker in a welllit area to ensure clear visibility during use.
- Always follow the manufacturer's instructions when reloading ammunition.

Instructions for Installation and Usage

1. Preparation:

- Ensure your workspace is clean and organized.
- Gather your reloaded cartridges and the Lyman Pro Ammo Checker.

2. Using the Pro Ammo Checker:

- Hold the Pro Ammo Checker securely in one hand.
- With your other hand, take a loaded cartridge and inspect it for any visible signs of damage.
- Carefully drop the loaded cartridge into the gauge opening of the Pro Ammo Checker.
- Observe if the cartridge fits properly within the gauge.
 - If it fits snugly, the cartridge is likely safe for chambering in your firearm.
 - If it does not fit, do not attempt to chamber it in your firearm.

3. PostUse:

- After checking your cartridges, store the Pro Ammo Checker in a safe place, away from moisture and extreme temperatures.
- Regularly clean the Pro Ammo Checker to maintain its precision and effectiveness.

Disposal Instructions

- Dispose of the Pro Ammo Checker in accordance with local regulations regarding metal recycling.
- Do not dispose of the Pro Ammo Checker in regular household waste.

- If the Pro Ammo Checker is damaged beyond use, consult local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries or further support, please refer to the manufacturer's website or contact your local distributor. Always ensure that you have the latest safety information and updates regarding the Lyman Pro Ammo Checker.

By following these safety instructions, you can ensure a safe and effective experience with your Lyman Pro Ammo Checker Single Caliber 6.5 Creedmoor. Thank you for your attention to safety and for choosing Lyman products.
