

# PRO AMMO CHECKER SINGLE CALIBER - LYMAN PRO AMMO CHECKER SINGLE CALIBER 45-70 GOVT STAINLESS

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Lyman Pro Ammo Checkers are precision machined from corrosion resistant stainless steel to minimum SAAMI chamber tolerances. All Pro Ammo Checkers are clearly marked for caliber. Simply drop your loaded cartridge into the gauge and if it fits, it will chamber in your gun. A "must" final check for competitive shooters or anyone that wants to ensure smooth, trouble free chambering of reloaded ammo.

# Lyman Pro Ammo Checker Safety Instruction Guide

## Introduction

Thank you for choosing the Lyman Pro Ammo Checker Single Caliber 4570 Govt Stainless. This precision tool is designed to ensure the safe and accurate chambering of your reloaded ammunition. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with the product.

## General Safety Guidelines

- Always use the Lyman Pro Ammo Checker in a safe and controlled environment.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the ammo checker before each use for any signs of damage or wear.
- Ensure that you are familiar with the specifications of your firearm and the ammunition you are using.
- Store the ammo checker in a dry place to prevent corrosion and maintain its effectiveness.

## Specific Safety Precautions for Use

- Only use the Lyman Pro Ammo Checker with .4570 Government cartridges.
- Do not attempt to modify or alter the ammo checker in any way.
- Always handle firearms in a safe manner, following the basic rules of firearm safety.
- If the cartridge does not fit into the ammo checker, do not attempt to chamber it in your firearm.
- Keep your fingers away from the chamber area when testing cartridges.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your workspace is clean and free of distractions.
- Gather your loaded .4570 Government cartridges and the Lyman Pro Ammo Checker.

### 2. Using the Ammo Checker:

- Hold the ammo checker securely in one hand.
- Drop your loaded cartridge into the gauge.
- Observe if the cartridge fits snugly into the checker.
- If the cartridge fits properly, it is safe to assume it will chamber in your firearm. If it does not fit, do not attempt to use it.

### 3. PostUse:

- After checking your cartridges, store the ammo checker in its designated storage area.
- Regularly clean the ammo checker with a soft cloth to remove any debris or residue.

## Disposal Instructions

- Dispose of the Lyman Pro Ammo Checker in accordance with local regulations regarding metal waste.
- If the product is damaged beyond repair, ensure it is disposed of in a manner that prevents any potential hazards.

## **Contact Information for Further Support**

For any questions or concerns regarding the Lyman Pro Ammo Checker, please consult the manufacturer or your local retailer for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your Lyman Pro Ammo Checker. Always prioritize safety and be aware of the guidelines provided in this manual. Thank you for your attention and safe shooting!
