[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

The Sons Of Liberty Gunworks Presscheck Barricade Stop is a precision-engineered MLOK accessory that achieves two functions in the same footprint; it serves as a Barricade Stop and a QD Sling Mount. The flush mounting and compact design allow the shooter greater ease of movement and quick transitions between various shooting positions while preserving valuable space on the handguard. These are 100% USA-made from high-quality steel materials providing resilience from impact, heat, and harsh weather conditions.

## Introduction

Thank you for purchasing the PRESSCHECK BARRICADE STOP WITH MLOK QD SLING MOUNT by Sons of Liberty Gun Works. This product is designed to enhance your shooting experience by providing a versatile barricade stop and quick disconnect sling mount. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the product is used in accordance with all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Use the product only for its intended purpose as described in this guide.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the barricade stop is securely mounted before use to prevent accidental detachment.
- Do not exceed the weight limit specified by the manufacturer for the sling mount.
- Avoid placing excessive force on the barricade stop during use to prevent damage.
- Be aware of your surroundings and ensure that the area is clear of obstructions and bystanders when using firearms.
- If you notice any unusual sounds or movements during use, stop immediately and inspect the product.

## Instructions for Installation and Usage

### Installation

1. **Select the Mounting Location:** Choose a suitable location on your handguard where you want to install the barricade stop.
2. **Prepare the Surface:** Clean the area to ensure there is no debris or oil that may interfere with the mounting.
3. **Align the Barricade Stop:** Position the barricade stop so that the MLOK slots align with the mounting holes on your handguard.
4. **Secure the Product:** Use the appropriate screws and tools to secure the barricade stop firmly in place. Ensure it is tightened adequately to prevent movement.
5. **Check Stability:** After installation, gently tug on the barricade stop to ensure it is securely attached.

### Usage

1. **Using the Barricade Stop:** Position the barricade stop against a stable surface when shooting. This will help stabilize your firearm and improve accuracy.
2. **Using the QD Sling Mount:** Attach your sling to the QD mount and ensure it clicks securely into place. To detach, simply press the release button.
3. **Transitioning Between Positions:** Practice transitioning between shooting positions while using the barricade stop to become familiar with its use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding metal products.
- If the product is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the product in regular household waste.
