Safety Instruction Guide for SMITH & WESSON EXTENDED SIGHT SYSTEM

Introduction

Thank you for choosing the SMITH & WESSON EXTENDED SIGHT SYSTEM manufactured by MIDWEST INDUSTRIES, INC. This guide provides important safety information to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always treat the sight system as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the sight system and firearm securely, out of reach of children and unauthorized users.
- Regularly inspect the sight system for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure that the sight system is compatible with your Smith & Wesson 1854 variant.
- Use only the recommended ammunition types with your sight system to avoid malfunctions.
- Do not attempt to modify or alter the sight system in any way.
- When adjusting the windage and elevation, make small adjustments and test the sighting after each change.
- Always use protective eyewear when using firearms equipped with this sight system.
- If you experience any malfunctions or issues, cease use immediately and seek professional assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing sights if necessary.
- Use the included Midwest Industries sight adjustment tool to securely attach the sight system to the firearm following the manufacturer's instructions.
- Ensure the sight is firmly mounted and check for any movement or play before use.

2. Usage:

- Familiarize yourself with the sight system's features, including the ghost ring and adjustment mechanisms.
- Adjust the windage and elevation using the provided tools according to your shooting preferences.
- Regularly practice with the sight system to improve your shooting accuracy and comfort.

Disposal Instructions

- Dispose of the sight system in accordance with local regulations.
- If the sight system is damaged beyond repair, it should be recycled where facilities exist.
- Do not dispose of the sight system in regular household waste.

Contact Information for Further Support

For safety inquiries or further assistance regarding the SMITH & WESSON EXTENDED SIGHT SYSTEM, please contact the manufacturer directly. Ensure you have your product details ready for effective support.

Thank you for prioritizing safety while using your SMITH & WESSON EXTENDED SIGHT SYSTEM. Your adherence to these guidelines will help ensure a safe and enjoyable shooting experience.
