

# CONFIGURABLE MED TRAY INSERT MK2 - SPIRITUS SYSTEMS

## CONFIGURABLE MED TRAY INSERT MK2 BLACK

[Home](#)

The Spiritus Systems Configurable Med Tray Mk2 is a modular insert board with a hook field backing and a removable rigid Tegriss insert that allows you efficiently organize and secure small items in a pouch. The Med Tray Mk2 now incorporates configurable barbed elastic straps so the end user has additional options for modular item retention. The Configurable Med Tray is built with a laser cut face that features both dot grid and MOLLE mounting options. Layout of the tray is entirely up to you and can be assembled to hold nearly anything with the included barbed elastic straps, shock cord and cord locks. The tray is sized to mount to the inside of many Spiritus Systems pouches, including the GP Medium, JSTA Pouch, Mutant Pouch, GP Tall, GP Wide, and SACK pouches. Once configured, the hook backing in the tray will keep your kit locked down to the inside wall of the pouch, mitigating unwanted noise from items that jostle during movement, and reducing the time it takes to find what you need under stress. The Tegriss backer sleeve can also be used to store flat items like bandages, notes, and other thin equipment. The Configurable Med Tray Insert measures 7" wide x 4.5" tall and comes with 4 cord locks and 4' of shock cord that can be cut to length. Some images shown with optional accessories, sold separately.

# Safety Instruction Guide for Configurable Med Tray Insert Mk2

## Introduction

Thank you for choosing the Spiritus Systems Configurable Med Tray Insert Mk2. This product is designed to help you efficiently organize and secure small items within various Spiritus Systems pouches. To ensure safe and effective use of the Med Tray, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use. However, users should be aware of potential hazards associated with improper use or installation.
- **Enhanced Recalls:** In the event of a safety issue, standardized recall notices will be issued. Please stay informed about any product recalls.
- **Online Shopping Safety:** When purchasing online, ensure that the seller meets all safety requirements.
- **Vulnerable Groups:** Extra care should be taken when using this product around children or individuals who may require assistance.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Avoid Sharp Objects:** Keep sharp objects away from the tray to prevent punctures and damage.
- **Check for Damage:** Before use, inspect the tray for any signs of wear or damage. Do not use if damaged.
- **Secure Items Properly:** Ensure that all items are securely fastened to prevent them from falling out during movement.
- **Age Restrictions:** This product is not intended for use by children without adult supervision.
- **Use in Appropriate Conditions:** Avoid using the tray in extreme temperatures or wet conditions that could compromise its integrity.

## Instructions for Installation and Usage

### 1. Installation:

- Open the pouch where you intend to install the Med Tray.
- Align the tray with the hook field backing against the inside wall of the pouch.
- Press firmly to ensure the hook backing adheres properly.
- If using barbed elastic straps, attach them as needed to secure items.

### 2. Usage:

- Organize items on the tray using the barbed elastic straps, shock cord, and cord locks provided.
- Ensure that items are arranged in a way that allows for easy access.
- Regularly check the integrity of the straps and the tray to ensure they remain secure during use.

## Disposal Instructions

- **Recycling:** The Configurable Med Tray Insert is made from materials that may be recyclable. Check local recycling guidelines for proper disposal.
- **NonRecyclable Waste:** If the product is damaged beyond use, dispose of it in accordance with local waste management regulations.

## **Contact Information for Further Support**

For any questions or concerns regarding the Configurable Med Tray Insert Mk2, please refer to your place of purchase or the manufacturer's website for further assistance.

Thank you for your attention to these safety instructions. Enjoy your use of the Spiritus Systems Configurable Med Tray Insert Mk2!
