I.T.T.S. TRIGGER FOR SPRINGFIELD ARMORY ECHELON The Tyrant CNC Trigger for the Springfield Armory Echelon represents a significant advancement in firearm customization, specifically designed to meet the needs of enthusiasts looking for a Springfield Echelon performance trigger. This high-quality trigger upgrade is meticulously engineered to provide a superior shooting experience for Springfield Armory Echelon owners, emphasizing improved functionality and user-focused design. CNC Machined with precision from a combination of 6000 series aluminum and a stainless steel safety blade (since the Echelon triggers mate with the COG, which is steel, it is best to use another form of steel to prevent chip/wear over time), this trigger upgrade is distinguished by its robustness and lightweight profile, making it an ideal choice for those seeking the best trigger for Springfield Echelon. The integration of a custom, heat-treated stainless steel spring ensures consistent and reliable performance, setting a new standard for Springfield Echelon performance triggers. One of the most notable features of the Tyrant CNC Trigger is the custom screw mechanism, designed to replace the traditional roll pin. This innovative approach significantly simplifies the maintenance and assembly process, highlighting the product's design towards enhancing the Springfield Armory Echelon Trigger's ease of use and longevity. A key performance enhancement provided by this trigger is a 20% reduction in pre-travel, offering shooters a faster response time and increased accuracy. This feature positions the Tyrant CNC Trigger as a leading option for those searching for an upgrade that improves upon the standard Springfield Echelon performance trigger. Further refining the shooting experience, the trigger is engineered to provide a firmer than OEM reset. This characteristic ensures clear tactile feedback, which is essential for precise shot placement and control, making it a standout feature for those comparing options for a trigger for Springfield Echelon. The trigger's pull weight is finely tuned to a consistent 4lb, striking the perfect balance between ease of use and safety. This specification not only enhances the firearm's performance but also aligns with the preferences of users looking for the best trigger for Springfield Echelon that offers both precision and reliability. Ergonomically designed, the Tyrant CNC Trigger melds the best aspects of a straight blade with a curved lip, offering unparalleled comfort and control. This hybrid ergonomics design is especially beneficial for Springfield Echelon owners seeking a performance trigger that does not compromise on handling or aesthetics. Safety considerations are paramount, as evidenced by the enclosed safety blade feature of the Tyrant CNC Trigger. This design element ensures operational safety while preventing pinching, further enhancing the user experience for Springfield Armory Echelon Trigger owners.

Attributes

- Name: [TYRANT CNC I.T.T.S. TRIGGER FOR SPRINGFIELD ECHELON GRAY W/BLACK SCREW](#)
- Manufacturer: [TYRANT CNC](#)
- Product no.: 430111444

- Mfr. No.: TD-ECHETRIG-GREY/BLK
- Finish: Gray

Consumer Safety Instruction Guide for I.T.T.S. Trigger for Springfield Armory Echelon

Introduction

Thank you for choosing the I.T.T.S. Trigger for Springfield Armory Echelon. This guide provides essential safety instructions to ensure the safe and effective use of your product. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and enhance safety.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the trigger for signs of wear or damage.
- Do not modify the trigger or use it with incompatible components.
- Always follow the manufacturer's instructions for installation and usage.
- Store the trigger in a safe place, away from children and unauthorized users.
- Be aware of your surroundings when handling firearms equipped with this trigger.
- Report any unsafe conditions or accidents related to the product to the appropriate authorities.

Specific Safety Precautions for Use

- Always treat every firearm as if it is loaded.
- Keep your finger off the trigger until ready to shoot.
- Ensure that the firearm is pointed in a safe direction at all times.
- Use appropriate eye and ear protection when shooting.
- Follow all local laws and regulations regarding firearm usage.
- Ensure that the firearm is securely maintained to prevent accidental discharge.
- Do not use the trigger if you are under the influence of drugs or alcohol.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing trigger according to the manufacturer's instructions.
- Carefully install the I.T.T.S. Trigger, following the provided installation guide.
- Use the custom screw mechanism as directed, ensuring it is securely fastened.
- Check that the trigger moves freely and is properly aligned.

2. Usage

- Familiarize yourself with the trigger's operation before engaging in shooting activities.
- Practice using the trigger in a safe environment to understand its response.
- Maintain a consistent pull weight of 4lb for optimal performance.
- Regularly check the trigger for any signs of wear or malfunction.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Consider recycling options to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or concerns regarding the I.T.T.S. Trigger for Springfield Armory Echelon, please refer to the manufacturer's contact information provided with your product.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your I.T.T.S. Trigger for Springfield Armory Echelon. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
