HARD CHARGER SIDE CHARGING HANDLE W/TACTICAL PULL HANDLE AR15 Safety Instruction Guide

Introduction

Thank you for choosing the Devil Dog Concepts Hard Charger Side Charging Handle with Tactical Pull Handle for your AR15. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this guide thoroughly before using the Hard Charger.

General Safety Guidelines

- Ensure that all firearms are handled safely and responsibly.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction.
- Store the Hard Charger and your firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the Hard Charger for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- The Hard Charger is designed for use with Standard, Forged, MilSpec AR15/M4 rifles only. Do not use it with Billet rifles, including the Aero M4E1 model.
- Ensure that the charging handle is properly installed before operating your firearm.
- Do not attempt to modify the Hard Charger or any part of your firearm.
- Always wear appropriate eye and ear protection when using firearms.
- If you experience any difficulty during installation or operation, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Steps: 1. Ensure the firearm is unloaded and pointed in a safe direction. 2. Remove the existing charging handle from the upper receiver by following the manufacturer's instructions. 3. Align the Hard Charger with the 13th Picatinny rail slot on the upper receiver. 4. Slide the Hard Charger into place, ensuring it is securely mounted. 5. Test the function of the Hard Charger by pulling the handle to ensure smooth operation.

Usage Instructions: * To charge the firearm, pull the Tactical Handle back towards you. * Release the handle to allow it to return to its original position. * The nonreciprocating design reduces stress on the roll pin and minimizes torque on the charging handle.

Disposal Instructions

- When disposing of the Hard Charger, follow local regulations for the disposal of metal and aluminum products.
- Do not dispose of the product in regular household waste.
- Consider recycling the product to minimize environmental impact.
