Specific Safety Precautions for Use

- Before use, inspect the charging handle for any signs of damage or wear.
- Ensure that the firearm is unloaded before installation or modification.
- Avoid using the charging handle in wet or excessively dirty conditions.
- Do not force the charging handle if it does not operate smoothly; this may indicate a misalignment or other issue.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Do not modify the charging handle or attempt to repair it unless specified by the manufacturer.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools as specified in the product manual.

2. Remove the Existing Charging Handle:

- Follow the manufacturer's instructions to safely remove the existing charging handle from your AR15.

3. Install the Hard Charger:

- Align the Hard Charger with the charging handle slot on the upper receiver.
- Insert the Hard Charger into the slot firmly but without excessive force.
- Ensure that the handle is securely in place and does not wobble.

4. Test the Installation:

- With the firearm still unloaded, operate the charging handle to ensure smooth functionality.
- Check for any misalignment or issues before using the firearm.

Usage

- To operate the Hard Charger, pull the handle back smoothly and release it to chamber a round.
- Always maintain control of the firearm while operating the charging handle.
- If the handle becomes difficult to operate, cease use immediately and inspect for any issues.

Disposal Instructions

- When disposing of the HCT2 G2 Hard Charger, follow local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Contact local recycling centers for proper disposal options.
