Safety Instruction Guide for AR308 HC10 Side Charging Handle with Tactical Pull Handle

Introduction

Thank you for purchasing the AR308 HC10 Side Charging Handle with Tactical Pull Handle from Devil Dog Concepts. This guide provides essential safety instructions and usage information to ensure your product operates safely and effectively. Please read this guide thoroughly before use.

General Safety Guidelines

- Always ensure that the firearm is unloaded before performing any installation or maintenance.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage.
- Do not use the charging handle if it appears to be damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the charging handle is compatible with your specific AR308 model.
- Use caution when handling firearms; always treat every firearm as if it is loaded.
- Avoid using the charging handle in wet or muddy conditions, as this can affect its performance.
- Do not force the charging handle if it does not operate smoothly; check for obstructions or misalignment.
- Be mindful of the charging handle's position while shooting to avoid any potential injury.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools (if any) for installation.

2. Removing the Existing Charging Handle:

- Open the upper receiver of your AR308.
- Carefully remove the existing charging handle by pulling it out of the receiver.

3. Installing the HC10 Charging Handle:

- Align the HC10 charging handle with the receiver.
- Slide the HC10 charging handle into the receiver until it is fully seated.
- Ensure the handle is securely in place and operates smoothly.

4. Testing:

- Close the upper receiver.
- Test the charging handle by pulling it back and releasing it to ensure proper function.

Usage

- To operate the HC10 Side Charging Handle, grasp the tactical pull handle and pull it back to chamber a round.
- The handle is designed for ergonomic use; apply appropriate force without excessive pressure.
- After use, ensure the firearm is cleared and stored safely.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer needed, do not throw it in regular waste. Contact local waste management authorities for proper disposal methods.
