Safety Instruction Guide for MTM MOLLE Panel Kit for ACDC30 Ammo Crate Utility Box

Introduction

Thank you for choosing the MTM MOLLE Panel Kit for ACDC30 Ammo Crate Utility Box. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children to avoid accidents.
- Regularly inspect the MOLLE panel and attached accessories for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls or safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:** Follow the installation instructions carefully to avoid improper attachment that could lead to accidents.
- **Weight Limit:** Do not overload the MOLLE panel with excessive weight, as this may cause it to detach or become unstable.
- **Sharp Objects:** Use caution when attaching or detaching pouches or tools to avoid cuts or injuries.
- **Environment:** Ensure the crate is placed on a stable surface to prevent tipping or falling.

Instructions for Installation and Usage

1. Installation:

- Open the lid of the ACDC30 ammo crate.
- Align the MOLLE panel with the inside of the lid.
- Secure the panel using the provided mounting hardware, ensuring it is tightly fastened.
- Confirm that the panel is firmly attached before proceeding.

2. Usage:

- Attach compatible MOLLE pouches and accessories to the panel as needed.
- Organize gear to ensure that heavier items are placed at the bottom and lighter items on top.
- Regularly check that all attachments are secure during use.

Disposal Instructions

- Dispose of the MOLLE panel kit in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or no longer usable.
- Consider recycling materials where possible to minimize environmental impact.
