TUGC Truck Underseat Gear Crate Safety Instructions

Introduction

Thank you for choosing the TUGC Truck Underseat Gear Crate. This product is designed to provide smart storage solutions for your gear while ensuring safety and convenience. Please read this safety instruction guide carefully to understand how to use the product safely and effectively in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only for its intended purpose as stated in the product description.
- Always check the product for any signs of damage before use. Do not use if damaged.
- Keep the crate out of reach of children to prevent accidents.
- Avoid placing heavy items that exceed the weight capacity of the crate.
- Regularly inspect the crate for wear and tear, especially the dividers and locking mechanisms.
- If you notice any issues, discontinue use immediately and contact customer support.

Specific Safety Precautions for Use

- Do not exceed the maximum storage capacity of 19.2 quarts.
- Ensure that the crate is securely placed under the seat before driving.
- Avoid sharp objects that could puncture or damage the crate.
- Do not use the crate in extreme temperatures or conditions that may compromise its integrity.
- Keep the crate clean and dry to maintain its durability.
- When loading or unloading items, ensure the vehicle is parked safely and on a level surface.

Instructions for Installation and Usage

1. Installation

- Remove the crate from its packaging and inspect for any damage.
- Place the crate securely under the crew cab back seat of your truck.
- Ensure that the crate is positioned in a way that does not obstruct any seat mechanisms or safety features.

2. Usage

- Open the crate by lifting the lid and place your gear inside.
- Use the removable dividers to organize your items as needed.
- Close the lid securely before driving to prevent items from shifting.
- When you need to access your gear, simply pull the crate out from under the seat.

Disposal Instructions

- When disposing of the crate, do not incinerate as it is made from highimpact polypropylene.
- Check local regulations for proper disposal methods for plastic products.
- If the crate is no longer usable, consider recycling it where facilities exist.

Contact Information for Further Support

For any questions or concerns regarding the TUGC Truck Underseat Gear Crate, please reach out to the manufacturer or your point of purchase for assistance. Always report any unsafe products or accidents to the appropriate authorities to ensure consumer safety.

Thank you for your attention to these safety instructions. Enjoy the convenience and organization that the TUGC Truck Underseat Gear Crate provides!
