POWDER & SHOT BUSHING BOX Safety Instruction Guide

Introduction

Thank you for choosing the MTM Powder & Shot Bushing Box. This guide provides important safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before using the Powder & Shot Bushing Box.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children to prevent accidents.
- Regularly check the product for any signs of damage or wear.
- Do not attempt to modify or repair the product yourself.
- In case of any safety concerns or product issues, report them to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended capacity of the bushing box.
- **Proper Handling:** Handle the bushing box with care to avoid dropping or damaging it.
- **Storage:** Store the bushing box in a dry, cool place to prevent moisture damage.
- **Visual Inspection:** Before each use, check that all bushings are securely in place and that the snaplid functions properly.
- **Use Only Compatible Bushings:** Ensure that only standard powder and shot bushings are used with this box.

Instructions for Installation and Usage

1. Unpacking the Product:

- Carefully remove the bushing box from its packaging.
- Inspect the box for any visible damage.

2. Loading the Bushings:

- Open the clear snaplid of the bushing box.
- Place the powder and shot bushings into the designated slots.
- Ensure that the bushings are properly aligned and secured.

3. Using the Bushing Box:

- When ready to use, simply open the snaplid.
- Select the desired bushing and remove it from the box.
- Close the snaplid to keep remaining bushings secure.

4. PostUse Care:

- After use, ensure that all bushings are returned to their slots.
- Store the bushing box in a safe location.

Disposal Instructions

- Dispose of the product responsibly at a designated waste disposal site.
- Follow local regulations for the disposal of plastic products.
- Do not throw the product in regular household waste.
