1911 Government Recoil Springs Safety Instruction Guide

Introduction

Thank you for choosing the ISMI 11 lb. Recoil Springs for your 1911 Government model. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

General Safety Guidelines

To ensure your safety and the safety of others, please observe the following guidelines:

- Always handle the recoil springs with care to avoid injury.
- Ensure that the product is used only as intended and in accordance with the manufacturer's specifications.
- Keep the recoil springs away from children and vulnerable individuals.
- Regularly inspect the springs for wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

When using the ISMI 11 lb. Recoil Springs, please adhere to these specific safety precautions:

- Always wear appropriate safety gear, including eye protection, when handling or installing the springs.
- Ensure that the firearm is unloaded before attempting to install or replace the recoil springs.
- Do not use the recoil springs if they show signs of corrosion, deformation, or other damage.
- Follow the manufacturer's instructions for installation to avoid improper fitting, which could lead to malfunction or injury.
- Do not attempt to modify or alter the recoil springs in any way.

Instructions for Installation and Usage

To ensure proper installation and usage of the recoil springs, follow these instructions:

1. Preparation:

- Ensure that the firearm is completely unloaded and that the magazine is removed.
- Gather all necessary tools and equipment for installation.

2. Installation:

- Remove the slide from the frame of the 1911 Government model.
- Locate the recoil spring guide and remove the old recoil spring if applicable.
- Carefully install the new ISMI 11 lb. recoil spring onto the recoil spring guide.
- Ensure that the spring is properly seated and aligned before reassembling the slide.

3. Usage:

- After installation, reassemble the firearm according to the manufacturer's instructions.
- Test the firearm in a safe and controlled environment to ensure proper functioning.
- Regularly inspect the recoil springs for wear and replace as necessary.

Disposal Instructions

When disposing of the recoil springs, please follow these guidelines:

- Dispose of any damaged or worn recoil springs in accordance with local regulations.
- Recycle materials where possible, ensuring that metal components are directed to appropriate recycling facilities.
- Do not dispose of springs in ordinary household waste.

Contact Information for Further Support

For any questions or concerns regarding the ISMI 11 lb. Recoil Springs, please refer to the manufacturer's contact information provided with your product packaging. It is important to reach out for assistance if you have any safety inquiries or require further guidance.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe use of the ISMI 11 lb. Recoil Springs. Your safety and the safety of others are paramount. Thank you for your attention to these important safety measures.
