RECOIL SPRING FOR GLOCK® ISMI GUIDE ROD FOR GLOCK® 17 Safety Instruction Guide

Introduction

Thank you for choosing the RECOIL SPRING FOR GLOCK® ISMI GUIDE ROD FOR GLOCK® 17. This guide provides essential safety instructions to ensure the safe use and installation of this product. Please read this manual carefully before using the recoil spring guide rod.

General Safety Guidelines

- Ensure that the product is used only with compatible Glock models (Gen 13) unless used with item 100006593 for Gen 4 Models.
- Always handle firearms and accessories with care, following local laws and regulations.
- Store the recoil spring guide rod in a safe place, away from children and unauthorized users.
- Regularly inspect the recoil spring guide rod for signs of wear or damage.
- Do not attempt to modify or alter the recoil spring guide rod in any way.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the recoil spring guide rod.
- Use appropriate safety gear, including eye protection, while handling and installing the recoil spring.
- Be aware of potential hazards such as:
 - Spring tension: The recoil spring may be under tension and could cause injury if not handled properly.
 - Pinching: Take care to avoid pinching your fingers when installing or removing the guide rod.
- Follow the manufacturer's instructions closely to avoid misinstallation and ensure proper functioning.
- If you experience any issues during installation or use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a flathead screwdriver and safety glasses.

2. Installation Steps:

- Remove the slide from the Glock® 17 by following the manufacturer's disassembly instructions.
- Carefully remove the existing guide rod and recoil spring from the slide.
- Take the new recoil spring guide rod and align it with the slide.
- Insert the guide rod into the slide, ensuring it fits snugly.
- Reassemble the slide onto the frame of the Glock® 17, ensuring all components are correctly aligned.
- Perform a function check to ensure the firearm operates correctly.

3. Usage:

- Always follow safe firearm handling practices when using your Glock® 17.
- Regularly check the recoil spring guide rod for signs of wear or damage during routine maintenance.

Disposal Instructions

- Dispose of the recoil spring guide rod in accordance with local regulations.
- If the product is damaged or no longer in use, ensure it is disposed of in a manner that prevents unauthorized use.

Contact Information for Further Support

For further assistance or inquiries regarding the recoil spring guide rod, please refer to the manufacturer's contact information available on their official website or product packaging.

By following these safety instructions, you can ensure a safe and effective use of the RECOIL SPRING FOR GLOCK® ISMI GUIDE ROD FOR GLOCK® 17. Always prioritize safety and stay informed about best practices in firearm handling.
