

# S&W REVOLVER CHROME SILICON SPRINGS - ISMI J-FRAME HAMMER/TRIGGER SPRING PAK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Trigger Springs](#)

## Consistent, Reliable Performance With No Stacking; Won't Take A Set

Premium quality springs manufactured to ISO 9002 quality control standards from aerospace-grade chrome silicon steel for consistent, reliable performance and superior durability. Your trigger pull feels better, and your gun performs consistently and reliably. These springs maintain a constant compression rate so they don't stack as spring tension increases. Heat treated, shot peened, and stress relieved to retain loading capability through thousands of compression cycles without taking a set. Trigger Rebound Spring provides a 10% reduced-power (approximately 16.2 lbs.) loading for a lighter, more consistent trigger pull from J, K and L frame revolvers. Hammer/Trigger Spring Pak adds a factory-weight hammer spring for consistent let-off and positive ignition.

## Attributes

- Name: [ISMI J-FRAME HAMMER/TRIGGER SPRING PAK](#)
- Manufacturer: [ISMI](#)
- Product no.: 445000025
- Mfr. No.: J36HT
- Model: J Frame
- Weapon type: Smith & Wesson
- Delivery weight: 0.045kg
- Shipping height: 3mm
- Shipping width: 83mm
- Shipping length: 146mm

# S&W REVOLVER CHROME SILICON SPRINGS ISMI JFRAME HAMMER/TRIGGER SPRING PAK Safety Instruction Guide

## Introduction

Thank you for choosing the S&W Revolver Chrome Silicon Springs ISMI Jframe Hammer/Trigger Spring Pak. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read and understand all instructions before use to ensure your safety and the safety of others.

## General Safety Guidelines

- Ensure that all components are installed correctly to avoid malfunctions.
- Only handle the product in a safe environment, away from children and unauthorized individuals.
- Regularly inspect the springs for wear or damage before use.
- Store the product in a cool, dry place to prevent corrosion and degradation.
- Always follow local laws and regulations regarding firearm modifications and safety.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use of these springs can lead to malfunction, which may cause injury or death.
- **Avoiding Hazards:**
  - Always ensure that the firearm is unloaded before performing any maintenance or installation.
  - Use appropriate tools and follow installation instructions carefully.
  - Do not attempt to modify or alter the springs for any other purpose.
- **Age Restrictions:** This product is intended for use by individuals aged 18 years and older. Keep out of reach of children.

## Instructions for Installation and Usage

- **Installation Steps:**
  1. Ensure the firearm is unloaded and pointed in a safe direction.
  2. Remove the existing hammer and trigger springs from the firearm.
  3. Carefully install the new springs from the Spring Pak according to the manufacturer's specifications.
  4. Doublecheck that all components are secure and correctly placed.
  5. Test the trigger pull and hammer function in a safe environment before use.
- **Usage Guidelines:**
  - After installation, conduct a function check to ensure proper operation.
  - If you experience any issues, discontinue use immediately and consult a qualified gunsmith.
  - Regularly maintain your firearm according to manufacturer guidelines to ensure safety and performance.

## Disposal Instructions

- Dispose of old springs and any packaging materials responsibly.
- Follow local regulations regarding the disposal of metal components.
- Do not dispose of in regular household waste; consider recycling options.

## Contact Information for Further Support

For any inquiries regarding product safety, installation, or performance, please refer to the manufacturer's contact details provided with your product packaging. It is important to have access to support for any questions or concerns that may arise.

## Conclusion

Your safety is our priority. By following these guidelines, you can ensure safe and effective use of the S&W Revolver Chrome Silicon Springs ISMI Jframe Hammer/Trigger Spring Pak. Always prioritize safety and consult professionals when in doubt. Thank you for your attention to these important instructions.
