# Safety Instruction Guide for 1911 Government Recoil Springs ISMI 15 lb. C/S Recoil Spring

## Introduction

Thank you for choosing the 1911 Government Recoil Springs ISMI 15 lb. C/S Recoil Spring. This product is designed for maximum durability and reliable performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions outlined in this guide.
- Be aware of potential hazards associated with the use of recoil springs, including but not limited to personal injury and damage to equipment.
- Regularly check for product recalls and safety updates via the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling or installing recoil springs.
- Ensure that the firearm is unloaded and pointed in a safe direction before installing or replacing the recoil spring.
- Do not attempt to modify or alter the recoil spring in any way, as this may compromise its integrity and safety.
- Keep the recoil spring out of reach of children and vulnerable individuals to prevent accidental injury.
- Inspect the recoil spring for any signs of wear or damage before each use. If any defects are found, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary tools, including a spring guide and appropriate wrenches.

### 2. Installation:

- Remove the slide from the frame of the firearm according to the manufacturer's instructions.
- Carefully remove the old recoil spring, taking care to note its orientation and placement.
- Install the new 1911 Government Recoil Spring by placing it in the same position as the old spring, ensuring it is seated correctly.
- Reassemble the firearm according to the manufacturer's instructions.

### 3. Usage:

- After installation, perform a function check to ensure the firearm operates correctly.
- Regularly clean and maintain the recoil spring to ensure optimal performance.
- Store the firearm in a safe and secure location when not in use.

## Disposal Instructions

- Dispose of old recoil springs and any packaging materials in accordance with local regulations.
- Do not dispose of springs in a manner that could cause harm to the environment or pose a risk to public

safety.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the 1911 Government Recoil Springs ISMI 15 lb. C/S Recoil Spring, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety guidelines. Your safety is our priority.
