# Safety Instruction Guide for 1911 Government Recoil Springs ISMI 18 LB. C/S Recoil Spring

## Introduction

Thank you for choosing the 1911 Government Recoil Springs ISMI 18 LB. C/S Recoil Spring. This product has been designed and manufactured to meet high standards of safety and performance. Please read this safety instruction guide carefully to ensure safe usage and maintenance of the product.

## General Safety Guidelines

- Always ensure that the recoil spring is compatible with your firearm model before installation.
- Inspect the recoil spring for any signs of damage or wear before each use.
- Keep the recoil spring and all related components out of reach of children and unauthorized users.
- Use protective eyewear when handling or working with firearms and their components.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- The recoil spring is designed for use in the 1911 Government model. Do not use it in other firearms.
- Ensure that the firearm is unloaded before installing or replacing the recoil spring.
- Avoid excessive force when installing or removing the recoil spring to prevent personal injury or damage to the firearm.
- If you experience any unusual performance issues with your firearm, discontinue use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Make sure your workspace is clean and welllit.
- Gather all necessary tools, including a punch tool and a hammer.

### 2. Installation Steps

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the slide from the frame of the firearm according to the manufacturer's instructions.
- Carefully remove the old recoil spring from the guide rod.
- Align the new ISMI recoil spring with the guide rod and ensure it is seated properly.
- Reassemble the slide onto the frame, ensuring that all components are securely in place.

### 3. Usage Tips

- After installation, perform a function check to ensure proper operation.
- Regularly clean and lubricate the recoil spring and its components to maintain optimal performance.
- Store the firearm in a secure location when not in use.

## Disposal Instructions

- Dispose of the recoil spring in accordance with local regulations for metal waste.
- Do not dispose of the recoil spring in regular household waste.
- Consider recycling the recoil spring if possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 Government Recoil Springs ISMI 18 LB. C/S Recoil Spring, please reach out to your local dealer or manufacturer's representative.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure a safe and effective experience with your 1911 Government Recoil Springs ISMI 18 LB. C/S Recoil Spring. Thank you for your attention to these important safety instructions.
