# Safety Instruction Guide for 1911 GOVERNMENT RECOIL SPRINGS ISMI 9 LB. C/S RECOIL SPRING

## Introduction

Thank you for choosing the 1911 Government Recoil Springs ISMI 9 lb. C/S Recoil Spring. This product is designed for maximum durability and reliable performance. This safety instruction guide provides essential information to ensure the safe use and handling of the recoil spring in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the recoil spring for signs of wear, damage, or deformation.
- Store the recoil spring in a dry, cool place when not in use.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any malfunction, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as eye protection, when handling the recoil spring.
- Avoid using the recoil spring if you are unsure about its condition or if it has been altered in any way.
- Do not exceed the recommended load specifications; this recoil spring is rated for 9 lbs.
- Ensure that the firearm is unloaded before installing or replacing the recoil spring.
- Do not attempt to modify or repair the recoil spring; seek professional assistance if needed.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary tools (if applicable) for installation.

### 2. Installation:

- Remove the old recoil spring by following the manufacturer's instructions for your specific firearm model.
- Carefully insert the new recoil spring into the appropriate area of the firearm, ensuring it is properly seated.
- Doublecheck that the recoil spring is installed correctly before reassembling the firearm.

### 3. Usage:

- After installation, conduct a function check to ensure the firearm operates correctly with the new recoil spring.
- Regularly maintain the recoil spring by cleaning it according to the manufacturer's recommendations to ensure optimal performance.

## Disposal Instructions

- Dispose of the recoil spring in accordance with local regulations regarding metal waste.
- Do not dispose of the recoil spring in regular household waste.
- If the recoil spring is damaged or no longer functional, consider recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product issues, please refer to the manufacturer's contact information included with your product packaging. It is essential to have a point of contact for any safetyrelated questions or concerns.

By following these guidelines, you can help ensure your safety and the proper functioning of the 1911 Government Recoil Springs ISMI 9 lb. C/S Recoil Spring. Thank you for your attention to these important safety instructions.
