# Safety Instruction Guide for 1911 Government Recoil Springs ISMI 14 lb. C/S Recoil Spring

## Introduction

Thank you for choosing the 1911 Government Recoil Springs ISMI 14 lb. C/S Recoil Spring. This product is designed to enhance the performance and reliability of your firearm. To ensure your safety and the safety of others, please read this guide carefully before installation and use.

## General Safety Guidelines

- Always handle firearms with care and respect. Ensure that you are knowledgeable about safe firearm handling practices.
- Ensure that the recoil spring is compatible with your specific firearm model.
- Inspect the recoil spring for any signs of damage before use. Do not use if damaged.
- Keep this product out of reach of children and unauthorized persons.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.

## Specific Safety Precautions for Use

- Use only with the specified 1911 Government model to prevent malfunction.
- Do not modify the recoil spring in any way, as this may compromise its integrity and performance.
- Avoid using excessive force when installing or removing the recoil spring.
- Always wear appropriate eye protection when handling firearms.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, such as a punch tool or spring compressor.

### 2. Installation

- Remove the existing recoil spring from your firearm according to the manufacturer's instructions.
- Carefully install the ISMI 14 lb. recoil spring, ensuring it is seated correctly.
- Replace any other components that were removed during the process, such as the recoil guide rod and spring plug.
- Ensure that all parts are securely in place before proceeding.

### 3. Usage

- Test the firearm in a controlled environment to ensure proper function after installation.
- Monitor the performance of the recoil spring during use. If you notice any issues, discontinue use immediately and inspect the spring.

## Disposal Instructions

- Dispose of the recoil spring in accordance with local regulations regarding metal waste.
- Do not dispose of the recoil spring in regular trash. Consider recycling where possible.
- If the recoil spring is damaged or worn, ensure it is disposed of safely to prevent any hazards.

## **Contact Information for Further Support**

For any inquiries or safety concerns regarding the 1911 Government Recoil Springs ISMI 14 lb. C/S Recoil Spring, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure safe and effective use of your recoil spring, contributing to your overall firearm safety. Thank you for your attention to safety and responsible firearm ownership.
