# Safety Instruction Guide for 1911 Mainspring ISMI 19 LB. S/S Spring

## Introduction

Thank you for choosing the 1911 Mainspring ISMI 19 LB. S/S Spring. This product is designed for optimal performance and durability. To ensure safe usage and compliance with EU regulations, please read this safety instruction guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Handle the mainspring with care to avoid injury.
- Do not exceed the recommended weight specifications during use.
- Ensure that the mainspring is properly installed to prevent malfunction.
- Use appropriate tools and safety gear when installing or handling the mainspring.
- Avoid exposure to extreme temperatures and corrosive environments to maintain product integrity.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and safety equipment.
- Ensure that you are working in a clean and welllit environment.

### 2. Installation:

- Follow the manufacturer's instructions for installing the mainspring.
- Ensure that the mainspring is seated correctly in the firearm.
- Doublecheck all connections and fittings for security.

### 3. Usage:

- Use the mainspring only in compatible firearm models (Government, Commander).
- Regularly check the performance of the mainspring to ensure reliable ignition.
- If you notice any irregularities in performance, discontinue use immediately and consult a professional.

## Disposal Instructions

- Dispose of the mainspring in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available to minimize environmental impact.

## **Contact Information for Further Support**

For further assistance, please consult the manufacturer or authorized dealer. Ensure that you have the product details available when seeking support.

By following these safety instructions, you can ensure a safe and effective experience with your 1911 Mainspring ISMI 19 LB. S/S Spring. Thank you for prioritizing safety and compliance with EU regulations.
