## Eliminates "Fitting" The Safety; Works With Factory & Aftermarket Triggers

Easy-to-install, reversible safety selector ensures ultra-reliable engagement and eliminates the time-consuming job of "fitting the safety" to a factory or aftermarket trigger—the perfect upgrade to accompany a J.P. Enterprises Adjustable Trigger. Eliminates the risk of damaging the trigger during fitting and shortens installation time by as much as one-third. An adjustment screw on the selector drum lets you quickly and easily set the correct trigger/safety relationship to completely block trigger movement when the selector is set to "safe." A second screw inside the drum ensures the adjustment screw stays locked in place. Deeply grooved control pad gives positive thumb engagement even when wearing gloves, and can be installed in the standard position on the left-side of the receiver or on the right side for fast, natural operation by left-handed shooters. Includes a low-profile ambidextrous lever for the other side that adds minimal bulk while giving you the flexibility to operate the safety with the off hand in an emergency or if the strong hand is injured. Or add the JPFC-SL1 Ambidextrous Selector Lever to give your rifle a full-size safety lever on both sides of the receiver for fully ambidextrous operation. Ideal for tactical and competition shooters who may need to operate the selector with the weak hand to accommodate an unconventional shooting position.

## Attributes

- Name: [J P ENTERPRISES ADJUSTABLE/REVERSIBLE SELECTOR](#)
- Manufacturer: [J P ENTERPRISES](#)
- Product no.: 452000043
- Mfr. No.: JPFC-SA

# Safety Instruction Guide for AR15 Adjustable/Reversible/Ambidextrous Safety Selector

## Introduction

Thank you for choosing the AR15 Adjustable/Reversible/Ambidextrous Safety Selector by J.P. Enterprises. This product is designed to enhance your shooting experience by providing a reliable and easy-to-use safety mechanism. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Always be aware of your surroundings and what is beyond your target.
- Ensure the safety selector is in the 'safe' position when not in use.
- Regularly inspect your safety selector and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm safety and usage.

## Specific Safety Precautions for Use

- The safety selector is designed for adult users. Keep out of reach of children.
- Do not attempt to modify or disassemble the safety selector beyond the installation instructions provided.
- If you experience any issues with the safety selector, cease use immediately and consult a qualified gunsmith.
- Always wear appropriate eye and ear protection when handling firearms.
- Ensure that the safety selector is properly installed before using the firearm.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing safety selector if applicable, following the manufacturer's instructions.
- Insert the J.P. Enterprises Adjustable/Reversible Safety Selector into the receiver, ensuring it is properly aligned.
- Use the adjustment screw on the selector drum to establish the correct trigger/safety relationship.
- Secure the adjustment screw with the second screw inside the drum to prevent movement.
- Test the safety selector to ensure it operates smoothly in both 'safe' and 'fire' positions.

### 2. Usage Instructions:

- To engage the safety, rotate the selector to the 'safe' position.
- To disengage the safety, rotate the selector to the 'fire' position.
- Ensure the safety selector is easily reachable and operable with either hand, especially in emergency situations.

## Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- When disposing of the safety selector or any firearm parts, follow local laws regarding hazardous waste.

and firearm components.

- Do not throw away the safety selector in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding the safety selector or for additional support, please reach out to the manufacturer's customer service. Ensure to have your product information ready for efficient assistance.

By following these guidelines, you can ensure the safe and effective use of the AR15 Adjustable/Reversible/Ambidextrous Safety Selector. Stay safe and responsible while enjoying your shooting experience.
