

# AR-15/M16 ADJUSTABLE GAS BLOCKS - J P ENTERPRISES A2-STYLE GAS BLOCK .750 BORE, BLACK, STAINLESS STEEL

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

## Pressure Adjustable For Smoother Cycling

Replaces the factory front sight/gas block and allows you to tune the gas system for smoother cycling and operation. Especially critical on match and varmint rifles when shooting both factory and custom-loaded ammunition. Simple setscrew lets you control the gas flow, so you can customize the setting for each load. Hex head setscrews clamp the block securely to the barrel. Installation instructions included. Low Profile model fits under handguard on .750" barrels. Rugged, all-steel construction resists gas erosion and helps maintain rifle's weight distribution. JPGS-5B and JPGS-5S Low-Profile models have a slimmer profile to reduce weight and to fit under a wider variety of handguards.

## Attributes

- Name: [J P ENTERPRISES A2-STYLE GAS BLOCK .750 BORE, BLACK, STAINLESS STEEL](#)
- Manufacturer: [J P ENTERPRISES](#)
- Product no.: 452000065
- Mfr. No.: JPGS-2FS
- Inside Diameter: .750
- Material: Stainless Steel
- Style: Adjustable, Clamp
- Weapon type: AR-15
- Delivery weight: 0.227kg
- Shipping height: 41mm
- Shipping width: 152mm
- Shipping length: 221mm
- UPC: 812872021454

## Item details

Made in USA

US export classification: 0A501.x

# Safety Instruction Guide for AR15/M16 Adjustable Gas Blocks

## Introduction

Thank you for choosing the AR15/M16 Adjustable Gas Blocks by J P Enterprises. This guide provides important safety instructions to ensure the safe and effective use of your gas block. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure safe handling and use of the gas block in compliance with all relevant safety regulations.
- Always follow the manufacturer's instructions and recommendations.
- Keep the gas block and all related components out of reach of children and vulnerable individuals.
- Regularly inspect the gas block for any signs of wear or damage before each use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only compatible firearms, specifically the AR15 platform, for installation.
- Ensure the firearm is unloaded before installation or maintenance.
- Wear appropriate safety gear, including eye protection, when handling or installing the gas block.
- Avoid using excessive force when adjusting the gas flow to prevent damage to the gas block or firearm.
- Do not modify the gas block or its components in any way that is not recommended by the manufacturer.
- If you experience any malfunction or unusual behavior from your firearm after installation, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a hex key for the setscrews.

### 2. Installation:

- Remove the factory front sight/gas block from the barrel.
- Position the adjustable gas block onto the barrel, ensuring it fits securely.
- Use the hex head setscrews to clamp the block securely to the barrel. Tighten the screws evenly to ensure a secure fit.
- Adjust the gas flow using the setscrew to customize the setting for your specific ammunition.

### 3. Testing:

- After installation, test the firearm in a safe environment to ensure proper operation.
- Make any necessary adjustments to the gas flow based on the performance of the firearm.

### 4. Maintenance:

- Regularly check the gas block for any signs of wear or gas erosion.
- Clean the gas block as part of your regular firearm maintenance routine.

## **Disposal Instructions**

- Dispose of the gas block according to local regulations for metal products.
- If the gas block is damaged or no longer usable, ensure it is disposed of in a way that prevents unauthorized use.
- Recycle materials whenever possible.

## **Contact Information for Further Support**

For any further inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the AR15/M16 Adjustable Gas Blocks by J P Enterprises.
