

# AR-15 SPRING SETS - JPS4.0 SPRING KIT

[Rifle Parts](#) > [Triggers Parts](#) > [Trigger Hardware](#) > [Trigger Springs](#)

## For Smooth, Light Trigger Pull & Reliable Ignition

JPS3.5T produces 3.5 to 4 lb. trigger pull with JP Fire Control parts. This kit is intended for use with JP trigger parts and will not necessarily yield substantial change on standard AR-15 trigger components. Application: Use of this spring kit allows for use of ammunition with low-sensitivity primers such as those found in NATO-spec and various foreign-manufactured ammunitions, but in the case of large-frame ARs and duty/defense rifles, domestic-manufactured ammo is strongly recommended to ensure 100% ignition reliability. The JPS4.0 Tactical Spring kit will yield a 4.0-4.5 lb. trigger pull with JP Fire Control parts. This kit is intended for use with JP trigger parts and will not necessarily yield substantial change on standard AR-15 trigger components produces a 4 to 4.5 lb. trigger pull.

## Attributes

- Name: [JPS4.0 SPRING KIT](#)
- Manufacturer: [J P ENTERPRISES](#)
- Product no.: 452000105
- Mfr. No.: JPS4.0

# Safety Instruction Guide for AR15 SPRING SETS JPS4.0 SPRING KIT

## Introduction

Thank you for choosing the AR15 SPRING SETS JPS4.0 SPRING KIT. This guide provides essential safety instructions to ensure the safe use and installation of this product. Please read this guide carefully before using the spring kit.

## General Safety Guidelines

- Ensure that you are familiar with the specific laws and regulations regarding firearm modifications in your jurisdiction.
- Always handle firearms with care and ensure they are unloaded when performing any modifications.
- Keep the spring kit and all related components out of reach of children and unauthorized users.
- Use protective eyewear and gloves when handling springs and other small components.
- Regularly inspect the spring kit for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- This spring kit is designed for use with JP Fire Control parts. Using it with standard AR15 trigger components may not yield the desired results.
- The JPS4.0 Tactical Spring kit is intended for use on ARstyle .308 rifles and is not recommended for defense or duty applications.
- When using ammunition with lowsensitivity primers, ensure that it is compatible with your firearm and meets safety standards.
- For largeframe ARs and duty/defense rifles, use domesticmanufactured ammunition to ensure 100% ignition reliability.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is completely unloaded.
- Gather all necessary tools and components before beginning installation.

### 2. Installation Steps

- Remove the existing trigger components from your firearm according to the manufacturer's instructions.
- Carefully install the redcoded hammer spring, yellowcoded trigger return spring, and disconnect spring from the kit.
- Ensure that each spring is properly seated and secured in place.

### 3. Testing

- After installation, perform a function check to ensure that the trigger operates smoothly and safely.
- Test the trigger pull weight to confirm it falls within the specified range of 4.0-4.5 lbs with JP Fire Control parts.

### 4. Usage

- Always follow safe firearm handling practices when using your firearm.
- Regularly check the performance of the installed springs and components.

## **Disposal Instructions**

- Dispose of any old springs or components in accordance with local regulations.
- Do not dispose of the spring kit in regular household waste. Instead, check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the AR15 SPRING SETS JPS4.0 SPRING KIT, please refer to the contact information provided on the product packaging or visit the manufacturer's website for assistance.

Thank you for following these safety guidelines and instructions. Your safety and the safety of others is our top priority.
