

# #242 MEDIUM STRENGTH BLUE THREADLOCKER - LOCTITE #242 MEDIUM STRENGTH BLUE THREADLOCKER 0.34 FL OZ

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Thread Locking Liquids](#)

## Ideal For Scope Mounting

#242 MEDIUM STRENGTH BLUE THREADLOCKER The LOCTITE® Medium Strength Blue #242 Threadlocker is a versatile adhesive designed to prevent threaded fasteners from loosening due to vibration, shock, or thermal expansion. Ideal for various gunsmithing applications, it secures trigger screws, pins, and prevents the loosening of scope mounts and rings on firearms with significant recoil. This threadlocker allows for disassembly with standard hand tools, facilitating maintenance and adjustments. Key Features: Medium Strength: Effectively secures fasteners while permitting disassembly with standard tools. Vibration and Shock Resistance: Maintains fastener integrity under dynamic conditions. Thermal Expansion Accommodation: Prevents loosening due to temperature variations. Specifications: Container Size: 10 mL (0.34 fl oz) bottle. Application: Suitable for fasteners up to ¾" in diameter. Incorporating the LOCTITE® Medium Strength Blue #242 Threadlocker into your firearm maintenance routine ensures components remain securely fastened during operation, enhancing reliability and performance.

## Attributes

# Safety Instruction Guide for LOCTITE #242 Medium Strength Blue Threadlocker

## Introduction

Thank you for choosing LOCTITE #242 Medium Strength Blue Threadlocker. This product is designed to secure threaded fasteners and prevent loosening due to vibration, shock, or thermal expansion. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always ensure the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product in a wellventilated area to avoid inhaling vapors.
- Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water.
- In case of accidental ingestion, seek medical attention immediately.
- Dispose of any unused product or waste materials in accordance with local regulations.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
  - Wear safety glasses to protect your eyes.
  - Use gloves to prevent skin contact.
  - Consider wearing a mask if working in a poorly ventilated area.
- **Storage:**
  - Store the product in a cool, dry place away from direct sunlight.
  - Keep the container tightly closed when not in use to prevent leakage.
- **Handling:**
  - Avoid puncturing or damaging the container.
  - Do not mix with other chemicals unless specified by the manufacturer.

## Instructions for Installation and Usage

1. **Preparation:**
  - Clean the surfaces of the fasteners to be bonded. Remove any dirt, grease, or old adhesive.
  - Ensure that both surfaces are dry before application.
2. **Application:**
  - Shake the bottle well before use.
  - Apply a small amount of LOCTITE #242 directly to the threads of the fastener.
  - Do not overapply; a small bead is sufficient.
3. **Assembly:**
  - Immediately assemble the fasteners. Ensure that they are tightened according to the manufacturer's specifications.

- Allow the adhesive to cure as per the instructions on the bottle. Full strength is typically achieved after 24 hours.

#### **4. Disassembly:**

- To disassemble, use standard hand tools. The threadlocker allows for easy removal without damaging the fasteners.

## **Disposal Instructions**

- Dispose of the product and its container in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste or down the drain.
- If unsure about disposal methods, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any safety inquiries or to report unsafe products, please refer to the EU Safety Gate platform or contact your local consumer safety authority.

Thank you for your attention to these safety instructions. Your careful handling and use of LOCTITE #242 Medium Strength Blue Threadlocker will ensure a safe and effective experience.
