# Safety Instruction Guide for Lyman Custom Fit Loading Block

## Introduction

Thank you for choosing the Lyman Custom Fit Loading Block. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this guide carefully before using the loading block.

## General Safety Guidelines

- Ensure that the loading block is used in accordance with the manufacturer's recommendations.
- Always keep the loading block out of reach of children and vulnerable individuals.
- Regularly inspect the loading block for any signs of wear or damage.
- Do not use the loading block for any purpose other than its intended use.
- Report any unsafe conditions or productrelated accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always handle cartridges with care to avoid accidents.
- Ensure that the loading block is placed on a stable and flat surface during use.
- Avoid overloading the loading block beyond its capacity of 50 rounds.
- Do not place any foreign objects in the loading block.
- If you notice any instability or damage to the loading block, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Placement:

- Place the loading block on a stable, flat surface to prevent tipping or sliding.

### 2. Loading Cartridges:

- Ensure that the cartridges are of the compatible sizes: .338 caliber to .615 caliber.
- Gently insert each cartridge into the designated slots, ensuring they are seated securely in the block.
- Do not force cartridges into the slots, as this may cause damage to the block or cartridges.

### 3. Removing Cartridges:

- When removing cartridges, do so gently to avoid damaging the block or cartridges.
- Always handle cartridges with care during removal.

### 4. Cleaning and Maintenance:

- Clean the loading block regularly with a damp cloth to remove dust and debris.
- Do not use abrasive materials or harsh chemicals that may damage the polymer material.

## Disposal Instructions

- Dispose of the loading block responsibly at the end of its lifecycle.
- Check local regulations for proper disposal methods for polymer materials.
- If the loading block is damaged beyond repair, ensure that it is disposed of in a manner that prevents

environmental harm.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Lyman Custom Fit Loading Block, please refer to the manufacturer's contact information provided with your product packaging.

**Note:** Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Reporting any unsafe products or accidents helps ensure consumer safety and compliance with EU regulations.

Thank you for prioritizing safety while using the Lyman Custom Fit Loading Block.
