

BORECAM PRO: WIRELESS BORE CAMERA WITH APP - LYMAN

BORECAM PRO: WIRELESS BORE CAMERA WITH APP

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Borescopes](#)

Lyman's new Borecam Pro borescope takes barrel inspection to a whole new level! The wireless Borecam Pro produces its own WiFi signal which sends super clean and detailed images directly to your phone. No wires or monitors to get in the way during use. Carefully inspect your bores for wear, throat erosion, tool marks and other rifling damage, as well as copper or lead fouling. The Borecam Pro will fit 20 caliber and larger barrels and is now equipped with a longer 24" rod. In addition to taking photos, the Borecam Pro now takes sharp, clear videos. The Borecam Pro's easy-to-use app makes storing and retrieving photos and videos simple. Apps are available for iOS and Android phones and tablets. Wireless WiFi operation 720P Resolution for a clean, sharp image Fits 20 caliber and larger barrels 24" long rod Can take photos and videos Easy to use apps for iOS and Android phones or tablets

- **Enhanced Recalls:** Stay informed about product recalls. Check for any updates regarding the Borecam Pro on the EU Safety Gate platform.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** Keep the Borecam Pro out of reach of children. This product is not intended for use by individuals under the age of 18 without adult supervision.
- **EU Contact Point:** For any safety inquiries regarding the Borecam Pro, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Be aware of any safety alerts regarding the Borecam Pro through the Safety Gate system.

Specific Safety Precautions for Use

- **Electrical Safety:** Avoid using the Borecam Pro in wet or damp environments to prevent electrical shock.
- **Battery Safety:** Use only the recommended power source. Do not attempt to recharge nonrechargeable batteries.
- **Lens Care:** Handle the camera lens with care to avoid scratches or damage that could impair image quality.
- **Inspection Area:** Ensure that the area where you are using the Borecam Pro is welllit and free of obstructions.
- **Proper Use:** Do not use the Borecam Pro for purposes other than intended. Avoid inserting the camera into any areas that may cause damage to the device or the inspected item.

Instructions for Installation and Usage

1. **Unboxing the Product:** Carefully remove the Borecam Pro and its accessories from the packaging. Ensure all components are present.
2. **Charging the Device:**
 - Connect the Borecam Pro to a power source using the provided charging cable.
 - Allow the device to charge fully before first use.
3. **Connecting to WiFi:**
 - Turn on the Borecam Pro.
 - Enable WiFi on your smartphone or tablet.
 - Connect to the WiFi network generated by the Borecam Pro.
4. **Installing the App:**
 - Download the Borecam Pro app from the App Store (iOS) or Google Play Store (Android).
 - Follow the onscreen instructions to install and set up the app.
5. **Using the Borecam Pro:**
 - Insert the camera into the barrel carefully, ensuring it fits snugly.
 - Use the app to take photos or videos while inspecting the bore.
 - Review and save your images and videos directly within the app.

6. **PostUse Care:**

- Carefully remove the Borecam Pro from the barrel.
- Clean the camera lens with a soft, dry cloth to maintain image quality.
- Store the device in a cool, dry place when not in use.

Disposal Instructions

- **Environmental Considerations:** Do not dispose of the Borecam Pro or its components with regular household waste.
- **Battery Disposal:** Dispose of batteries in accordance with local regulations regarding electronic waste and batteries.
- **Product Disposal:** Return the Borecam Pro to a designated ewaste recycling facility or follow local disposal guidelines to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Borecam Pro, please refer to the contact information provided by the retailer or manufacturer. Ensure you have your purchase details available for efficient assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Lyman Borecam Pro. Always prioritize safety and adhere to the guidelines outlined in this document. Enjoy your inspections!
