Safety Instruction Guide for Lyman Digital Caliper

Introduction

Thank you for choosing the Lyman Digital Caliper. This precision measuring tool is designed to provide accurate measurements for a variety of applications. To ensure your safety and the proper use of this product, please read this safety instruction guide thoroughly before use.

General Safety Guidelines

- Always use the caliper in accordance with the instructions provided in this guide.
- Keep the caliper out of reach of children to prevent accidents.
- Ensure the caliper is used on stable surfaces to avoid slips or falls.
- Regularly inspect the caliper for any signs of damage. If damaged, do not use the product.
- Follow all local regulations regarding the disposal of electronic equipment.

Specific Safety Precautions for Use

- Do not expose the caliper to extreme temperatures, humidity, or direct sunlight.
- Avoid using the caliper in wet or damp conditions to prevent electrical failure.
- Handle the caliper with care; do not drop or subject it to strong impacts.
- When using the caliper, ensure that your hands are dry to maintain a good grip.
- Be cautious when measuring sharp objects to avoid injury.

Instructions for Installation and Usage

1. Installation:

- Remove the caliper from the packaging.
- Ensure the battery is properly installed. Refer to the battery compartment for instructions if needed.

2. Usage:

- Turn on the caliper using the manual on/off switch.
- To zero the caliper, press the push button zero. This allows for preselection of a zero dimension.
- To measure:
 - For inside measurements, use the inside jaws.
 - For outside measurements, use the outside jaws.
 - For depth measurements, use the depth rod.
- To switch between inches and millimeters, use the single toggle button.
- Read the measurement on the LCD display. The caliper reads to 6"/150mm with a resolution of .0005"/.01mm.
- After use, turn off the caliper to conserve battery life.

Disposal Instructions

- Dispose of the caliper in accordance with local electronic waste disposal regulations.
- Remove the battery before disposal and recycle it according to local guidelines.
