Safety Instruction Guide for 1911 Firing Pin Stop

by John Masen

Introduction

Thank you for choosing the 1911 Firing Pin Stop by John Masen. This product is designed to enhance the performance and reliability of your 1911 firearm. To ensure safe and effective use, please read this safety instruction guide carefully. It includes important information about product safety, usage precautions, installation instructions, and disposal guidance.

General Safety Guidelines

- Always handle firearms with care and follow standard safety protocols.
- Ensure that the firearm is unloaded before performing any maintenance or installation.
- Use only compatible parts with your specific model of the 1911 firearm.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the firing pin stop for signs of wear or damage.
- If you notice any irregularities, discontinue use and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure proper fitting of the firing pin stop to avoid malfunctions.
- Do not attempt to modify or alter the firing pin stop in any way.
- Store the product in a cool, dry place away from direct sunlight.
- Always follow the manufacturer's instructions for the use and care of your firearm.
- Use appropriate protective gear when handling firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch and hammer.

2. Installation:

- Remove the current firing pin stop from the slide by driving out the retaining pin.
- Carefully position the new firing pin stop in the slide.
- Align the stop so that it fits snugly into place.
- Reinsert the retaining pin to secure the firing pin stop.

3. PostInstallation Check:

- Inspect the installation to ensure that the firing pin stop is properly seated.
- Manually cycle the action to confirm that the firing pin operates smoothly.

4. Usage:

- Regularly check the functionality of the firing pin stop during routine firearm maintenance.
- Follow all operational guidelines for your 1911 firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of in regular household waste.
- Contact local recycling facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Firing Pin Stop, please refer to the manufacturer's website or contact your local dealer. Always ensure you have the latest information regarding product recalls or safety notices.

By following these guidelines, you can ensure the safe and effective use of your 1911 Firing Pin Stop. Thank you for prioritizing safety and compliance with EU General Product Safety Regulations.
