

# RANGE MASTER OPTICS ADAPTER PLATE BLOCK - MGW RANGE MASTER OPTICS ADAPTER PLATE BLOCK

[Gunsmith Tools](#) > [Sight & Scope Installation Tools](#) > [Sight Movers](#)

## For Easy Installation of Popular Sight Upgrades Without Damage To Gun or Sight

MGW's Optics Adapter Plate Block enables you to use your MGW Sight Pro or Range Master sight mover tool to install wide optic bases and laser sights that replace the "iron" factory sight. The Optics Adapter Plate Block replaces your MGW tool's original pusher block and has only one leg to provide plenty of clearance for the larger part you need to install on the slide. Can also be used to move oversized adjustable rear sights or cover plates that fill the rear sight dovetail. Machined steel, matte black finish Easy, fast, drop-in installation Fits MGW Sight Pro AND Range Master The Optics Adapter Plate Block helps you get even more utility from the MGW sight mover tool you already have, while also easing installation of the popular new optical / laser sights.

## **Safety Instructions**

### **Introduction**

Thank you for purchasing the RANGE MASTER OPTICS ADAPTER PLATE BLOCK from MGW. This product is designed to enhance the functionality of your MGW Sight Pro or Range Master sight mover tool, allowing for the installation of wide optic bases and laser sights. This safety instruction guide provides essential information to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

### **General Safety Guidelines**

- Always read and understand the safety instructions before using the product.
- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

### **Specific Safety Precautions for Use**

- Use the Optics Adapter Plate Block only with compatible MGW tools (Sight Pro and Range Master).
- Ensure that the firearm is unloaded and pointed in a safe direction before attempting any installation.
- Do not attempt to modify or alter the Optics Adapter Plate Block in any way.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the product.
- Be cautious of sharp edges and moving parts during installation and use.
- Ensure that the workspace is clean and free of obstructions to prevent accidents.

### **Instructions for Installation and Usage**

#### **1. Preparation:**

- Ensure that your MGW Sight Pro or Range Master sight mover tool is clean and in good working condition.
- Gather all necessary tools and materials before starting the installation process.

#### **2. Installation of the Optics Adapter Plate Block:**

- Remove the original pusher block from your MGW tool by following the manufacturer's instructions.
- Align the Optics Adapter Plate Block with the tool's mounting points.
- Securely attach the Optics Adapter Plate Block to the tool, ensuring it is firmly in place.

#### **3. Using the Optics Adapter Plate Block:**

- Place the firearm slide securely in the sight mover tool.
- Position the optic base or laser sight on the slide, ensuring proper alignment.
- Use the MGW tool to apply even pressure, moving the optic base or laser sight into position.
- Check the alignment of the optic or laser sight before finalizing installation.

#### **4. PostInstallation:**

- After installation, doublecheck that all components are securely attached.
- Test the functionality of the installed optics or laser sights before use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and mechanical waste.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the RANGE MASTER OPTICS ADAPTER PLATE BLOCK, please refer to the contact information provided by the manufacturer, MGW, or consult the product packaging for further assistance.

By following these safety instructions, you can ensure a safe and effective experience with your RANGE MASTER OPTICS ADAPTER PLATE BLOCK. Thank you for choosing MGW products.
