Safety Instruction Guide for 1911 Fixed Black Sight Sets

Introduction

Thank you for choosing the 1911 Fixed Black Sight Sets by MGW. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective installation and use of your new sight sets. Please read this manual carefully before proceeding.

General Safety Guidelines

- Ensure that the product is suitable for your specific model of 1911 Auto (Government, Commander, Officers).
- Always handle firearms and accessories with care, adhering to local laws and regulations.
- Inspect the sight sets for any visible damage or defects before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety alerts via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only compatible models of 1911 Auto for installation.
- Avoid using the sight sets if they show signs of wear or damage.
- Ensure that the firearm is unloaded before beginning installation.
- Do not attempt to modify or alter the sight sets.
- If you are inexperienced with firearm modifications, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools, including a screwdriver and a sight pusher (if available).
- Ensure your workspace is clean and welllit.

2. Installation Steps:

- **Unload the Firearm:** Ensure the firearm is completely unloaded and pointed in a safe direction.
- **Remove Existing Sights:** Use the appropriate tool to carefully remove the existing sights from your 1911 Auto.
- **Align the New Sights:** Position the new front and rear sights in the factory dovetail. Ensure they are aligned properly for optimal accuracy.
- **Secure the Sights:** Tighten the sights into place using the appropriate tool. Do not overtighten, as this may damage the sights or the firearm.
- **Check Alignment:** Once installed, check the alignment and adjust as necessary for proper sight picture.

3. Usage:

- Familiarize yourself with the sight picture before engaging in live firing.
- Regularly check the sights for tightness and alignment during routine maintenance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the sight sets are damaged beyond repair, dispose of them in a manner that prevents them from being accessible to children or unauthorized individuals.
